December 2014 Commencement

Student Names and Hometowns

UNO's December 2014 Commencement

On Saturday, Dec. 20, more than 1000 students were recognized as having completed their degree program at UNO. Whether the degree was a certificate, bachelor's degree, master's degree, or doctoral degree, the celebratory nature of each recipient was the same.

The following list includes those who, at the time of the December 2014 commencement, were scheduled to graduate. That said, because final grades are not submitted until January 2015, there may be a small number of names included on this list who did not complete the necessary requirements to receive their degree.

The names are organized by hometown and last name. Degree information is also included. Students with honors are identified in the following way:

Cum Laude = cl
Extra Muros = em

Magna Cum Laude = mcl
University Honors Program: uhp

Summa Cum Laude = scl,
