Total Award Amount: \$2,630,501.00

Two New Faces in SPR

SPR is pleased to welcome our new coordinator, Wendi Chiarbos Jensen. Wendi is no stranger to UNO. In 1995, she began as a work-study student for the Bethsaida Excavations Project (BEP) and became project coordinator later that year. During her tenure with the BEP, she led student groups to Israel to excavate and organized exhibits of archaeological artifacts on the UNO campus. Wendi worked in International Studies and Programs until 2005, during which time she also served as Study Abroad Advisor and Coordinator of Grants Development. She holds BA and MPA degrees from UNO. Her most recent accomplishment, enthrallment, and challenge is her 8-month-old son.

SPR is also pleased to welcome Jackie Ternus, our new Graduate Assistant, who has worked in the office since November. Currently, she is in her first year of graduate studies in the School Psychology Program. Jackie also serves as the student representative on the UCR committee. Originally from Albion, Nebraska, Jackie received a BA in Psychology from Creighton in 2005. Currently, she assists a professor at the Munroe-Meyer Institute in working with several clients with Selective Mutism. As part of a class project, Jackie also visits Holy Name Elementary School in Omaha several times a week to work one-on-one with a student.

SPR Upcoming Events

Research Compliance Brown Bag Session Mar. 27

SPR will host the final Brown Bag session of the academic year on March 27th from 11:30 a.m. to 12:30 p.m. in the Council Room, MBSC. Experienced panelists will provide guidance regarding the protection of human subjects and animals in research, the use of biohazardous agents in research, and overall campus environmental health and safety. Participants are invited to bring their lunch, and SPR will provide beverages and dessert. Reservations are not required. For more information, call SPR or visit our website.

Save the date!

On Friday, May 11th, SPR will host an all-day grantwriting seminar led by Dr. Lynn Miner. The event will be held in the Centennial Room of the Thompson Alumni House. Watch for further details.

Monthly COS Demonstrations Continue

Faculty, staff, and graduate students should plan to attend one of the remaining COS open-lab demonstrations before the end of the academic year on Friday, April 20th at 2:00 p.m. or Tuesday, May 8th at 12:00 p.m. Watch the SPR webpage for the dates and times of the summer open labs.

Grants Management Information Series

Plans are underway to hold the Grants Management Information Series this summer. This three-session series, hosted every other year by SPR, is designed to provide attendees with a snapshot of the entire grant process—from conception of a research idea to closeout of a grant account. These sessions are not grant writing workshops but rather opportunities to learn more about the institutional processes and the services available to project directors and support staff. Look for announcements in eNotes and on the SPR webpage.

UNL Research Fair April 10, 11, 12

UNO faculty and students are invited to attend the 2007 UNL Research Fair, a three-day event featuring collaboration, creativity, innovation and celebration of achievements. Speakers include program officers from federal agencies and representatives from foundations. Most events will be held in the UNL Nebraska Union. Registration for the sessions with program officers is not required, but faculty and staff must register for the [Grants Management Lunch](#) on April 10th and the [Research Responsibility Lunch](#) on April 11th. Further details are available on the Research Fair website, <http://researchfair.unl.edu/>.
