## NOTES AND DEFINITIONS

ADMINISTRATIVE-SITE and DELIVERY-SITE BASIS: Effective with the 1979-80 academic year, the University of Nebraska Board of Regents directed that head count and student credit hour data, on each campus of the University, be arrayed on both an Administrative-Site and Delivery-Site basis. Basically, the Administrative-Site basis is an "organization chart" approach where each college in the University has one and only one campus "home" regardless of the various physical sites where the college's courses may be conducted. Delivery-Site basis is a physical site definition of campus, and a college may conduct courses on two or more of the University's physical campuses.

The Administrative-Site and Delivery-Site head count totals, for Spring 1998, are arrayed below:

	Administrative- <u>Site</u>	Delivery- <u>Site</u>
Arts & Sciences	3,215	3,215
