Editorial

Soviet Revolution belongs to absolute majority

The Soviet Revolution was a revolutionary movement that took place in the Soviet Union in 1917. It marked the end of the Tsarist regime and the beginning of the Soviet state. The revolution was characterized by the rise of socialist ideas and the establishment of a communist government.

Safeguarding peace in Europe

The European countries should work together to safeguard peace in the region. The countries should focus on diplomatic solutions and avoid military conflicts. The United Nations should be used as a platform for international dialogue and cooperation.

Foreign trade as an instrument of equal cooperation

The foreign trade is an important instrument of international cooperation. It should be based on mutual benefit and respect for each other's rights.

Kandahar Textile Mill to produce 14 million metres cotton fabrics

The Kandahar Textile Mill will produce 14 million metres of cotton fabrics. This will help to meet the demand for textiles in the country.

Violations of human rights in S. Africa

There have been violations of human rights in South Africa. The government should take action to prevent further violations.
