Screening questions

Did your institution offer athletically-related aid to students in academic year 2000-2001?

Screens will be generated in Section VI to report graduation rates data for each sport you indicate below. If aid was offered in a sport, but no aid was actually given out to any student, check the sport below and then give an explanation of this in the edit report

- No.
- Yes. Indicate sports:
- Football
 - Basketball
 - Baseball
 - Cross-country and/or track
 - All other sports combined

Does your institution offer bachelor's degree programs of 5 years or longer?

If you answer Yes to this question, a screen will be generated for you to report the number of students still enrolled in long programs as of August 31, 2006

- No.
- Yes.

Based on your institution's response to the predominant calendar system question (B3) on the Institutional Characteristics survey from the IPEDS Fall 2006 Data Collection, your institution must report graduation rates data using a

Fall Cohort

A fall cohort is used by institutions with standard academic terms (semester, trimester, quarter, 4-1-4, other academic). A full-year cohort is used by institutions offering primarily occupational/vocational programs and operating on a continuous basis.

Section VI - Graduation Rate - Transfers/exclusions - all other sports

- In the columns below, report the status of the subcohort in Col 60, who did not complete a program as of August 31, 2006.
- Report transfers-out who did not complete a program in Col 80. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed their programs, you must report transfer-out data in column 80. A school is required to report only on those students that the school knows have transferred to another school. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.
- Report exclusions from the cohort in Col 95. The ONLY allowable categories for this column are:
 - students who died or became permanently disabled
 - students who left school to serve in the armed forces (or have been called up to active duty)
 - students who left school to serve with a foreign aid service of the Federal Government
 - students who left school to serve on an official church mission
- Col 99 [non-completers (still enrolled + not enrolled) and completers > 150% of normal time] will be calculated for you
- If you do not have any values to enter in either column 80 or 95, you must enter at least one zero in a field on this screen
