## Overview

### Fall Enrollment Overview

The Fall Enrollment component collects student enrollment counts by level of student, enrollment status, gender and race/ethnicity. In addition, first-time student retention rates and the student-to-faculty ratio are collected. Every other year data on residence of first-time undergraduates is required and in opposite years, enrollment by student age is required to be reported.

For institutions operating on a traditional academic year calendar (semester, trimester, quarter, 4-1-4, or other academic year), Fall enrollment should be reported as of the institution's official fall reporting date or October 15. For institutions operating on a calendar that differs by program or that enrolls students on a continuous basis (referred to as program reporters), Fall enrollment is reported for students enrolled any time during the period August 1 and October 31.

#### Data Reporting Reminders:

- Institutions are now required to report using the new race/ethnicity categories. Using the new race/ethnicity categories was optional in the Spring 2009 and 2010 collections and is required in the current Spring 2011 collection.
- For four-year institutions, reporting enrollment by selected fields of study is **mandatory** this year. In Part A, enrollment in the selected fields will need to be reported on separate screens in addition to the total enrollment reported on the summary screens (CIP 99.0000).
- Part B, Enrollment of students by age, is **optional** this year.
- Part C, Residence of first-time degree/certificate-seeking undergraduate students, is **required** this year.

**Part E - First-time Bachelor's Cohort Retention Rates**

Retention rates will be calculated based on information provided below.

Academic reporters report retention data as of the institution's official fall reporting date or as of October 15.  
 Program reporters report retention data on students enrolled in the institution at any time between August 1 and October 31.

If there are no students to be reported in a cohort, please enter zero. Do not leave the field blank.

When reporting data below, remember to:

- Include only first-time **bachelor's** students in your full- and part-time cohorts. Do not include students who transferred into your institution.
- Determine student status (full- or part-time) using Fall 2009 status (e.g. if a student was part-time in Fall 2009, report them in the part-time cohort regardless of their Fall 2010 status).
- Report in the exclusions boxes the number of students from each cohort who left the institution for any of the following reasons: died or were totally and permanently disabled; to serve in the armed forces (including those called to active duty); to serve with a foreign aid service of the Federal Government (e.g. Peace Corps); or to serve on official church missions.

The system will subtract exclusions from the original cohorts and use adjusted cohorts for calculating retention rates.  
**Retention rates will be calculated by the system after clicking 'Save.'**

### Fall Enrollment Survey Summary Four-Year Institutions with Graduate Students

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the ExPT and sent to your institution's CEO in November 2011.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or [ipedshelp@rti.org](mailto:ipedshelp@rti.org).
