ACADEMIC REGALIA

Identification of the hood and robe as academic apparel is believed to have originated at the English universities of Oxford and Cambridge during the twelfth and thirteenth centuries. The hoods are a carry-over from the times when monks, who operated these universities, wore them to protect their shaved heads in winter. The robe is an adaptation of the shoulder cape also worn by these same monks while collecting alms.

Use of the academic robe came to the United States in 1754 with the founding of what is now Columbia University. In 1895, a commission of University officials adopted a universal code of design and color for the academic garb. This code has undergone several revisions in subsequent years.

Styling of the robes varies for the bachelor's and master's degrees with the width of sleeve borders and length of the hood increasing with each advanced degree. Hoods are normally not used for bachelor's degrees today. Instead, the tassel colors are used to indicate the degree program.

UNIVERSITY HONORS PROGRAM

The University Honors Program is an all-University program which provides maximum educational opportunities for students of high ability through special multidisciplinary seminars and participation in an academic level not generally possible in usual curricular offerings.

The program is an outgrowth of the Arts and Sciences Honors program and was initiated in 1978. It is governed through the office of the Vice Chancellor for Academic Affairs and administered through the Honors Coordinator. UNO colleges which implement honors programs include Arts and Sciences, Business Administration, Education, Fine Arts and Public Affairs and Community Service.

As part of their Honors Program requirements, students undertake a research project that results in a Senior Honors Thesis. Students and their theses topics are listed at the end of the list of graduates. Students who have been designated in this booklet as Honors Program students have fulfilled the academic requirements of this program.

MEDALLION COLORS

Students receiving their baccalaureate degree with honors will be presented medallions in the colors designated.

THE ORDER OF THE TOWER

The University of Nebraska at Omaha's highest non-academic award, the Order of the Tower, was first presented in 1964. Since that time, more than 70 individuals have received this honor which symbolizes an ongoing commitment to the growth and development of the University.

The Order of the Tower is bestowed upon community leaders whose service and/or financial support has made it possible for the University to address the academic, cultural and economic needs of the people of Omaha and citizens of the State of Nebraska. Recipients of the award embody virtues and attributes valued highly by the University and are recognized as an example to others.

ORDER OF THE TOWER RECIPIENT

VARD R. JOHNSON

Vard R. Johnson, a former member of the Nebraska Legislature, has been a strong supporter of the Omaha community and the University of Nebraska at Omaha. In his tenure as a legislator, he was instrumental in the appropriation of funds for the new Fine Arts Education building and in the overall support of the academic programs and services at the University of Nebraska at Omaha.

He received his bachelor of arts degree from Yale University in New Haven, Connecticut, and his law degree from Harvard Law School in Cambridge, Massachusetts.

Born in Kansas City, Missouri, Johnson is a partner in the Broom, Johnson, Fahey and Clarkson law practice. He has been a member of the Nebraska State Bar Association since 1964 and currently serves on the board of directors for the Metro Arts Council and the Douglas County Historical Society.

Active in the community and outstanding in his field, Johnson has received many awards. Among them are the Community Service Award for the Nebraska Welfare Association, the Outstanding Service Award for the Greater Omaha Association of Retarded Citizens, Service to Children Award by the Nebraska Academy of Pediatrics, Outstanding Service to Family Farmers Annual Award by the Center for Rural Affairs, Public Citizen of the Year Award by the Nebraska Chapter of the National Association of Social Workers, the Award of Special Merit by the Nebraska State Bar Association, the Professional Service Award by the Omaha Client's Council and the Outstanding Service to the Legal Profession Award by the Creighton Law School Student Bar Association.

For his commitment and service to the community and to the University of Nebraska at Omaha, it is with great pleasure that Vard R. Johnson is awarded the University of Nebraska at Omaha's highest non-academic award, the Order of the Tower.

COMMENCEMENT SPEAKER

WARREN K. URBOM

Today's commencement address, "A Scholar's Vision," will be delivered by Judge Warren K. Urbom, J.D., United States Senior District Judge for the District of Nebraska.

Judge Urbom received a J.D. degree with distinction from the University of Michigan Law School and an A.B. degree with highest distinction from Nebraska Wesleyan University.

Among his many professional accomplishments, Judge Urbom has served as a practicing trial lawyer in Lincoln, Nebraska, and president of the United States District Judge's Association for the Eighth Circuit; is a member of the Lincoln Bar Association, Nebraska State Bar Association, Nebraska State Bar Foundation and American Bar Association; and currently serves as United States District Judge for the District of Nebraska, adjunct instructor in trial advocacy at the University of Nebraska College of Law, faculty member of National Judicial College in Reno, Nevada, and member of the eighth Circuit Committee on Model Jury Instructions, which produced *Eighth Circuit Model Criminal Instructions*.

Urbom, an active member of numerous community service organizations, received the Honorary Doctor of Laws degree from Nebraska Wesleyan University in 1984, the Medal of Honor from Nebraska Wesleyan University Alumni Association in 1983, was elected to the American College of Trial Lawyers in 1970 and was named Outstanding Legal Educator of the Nebraska Bar Association Foundation in 1990.

The Idea of a University

A university is not bricks and mortar, not solely bricks and mortar. It is flesh and bone, dreams and reality, promise and fulfillment. Its totality is too broad for canvas, too elusive for print. It has moods and ages, like a person. Its seasons are all growing seasons and the harvests ever secure.

A university is, above all, an experience. It exists in the hearts and minds of those who draw from its wisdom and add to its reputation.

A university is a place, yes, but a place of the spirit. It is described, forever after, by its family, not as architecture, but as personality and precept and conversion.

A university is what its alumni have become. They are its voice to the world.

Some alumni achieve headlines, bear titles, manage corporations, represent constituents, build, create, publicize, minister, protect, teach. Some labor less conspicuously, contributing from the depths of their talents, fostering understanding, transmitting appreciation.

They speak for us, our alumni. And they speak well.

... Robert T. Reilly, Professor Emeritus

Nebraska at
Omaha
