**Mission Statement**  
 The University of Nebraska Omaha began as the University of Omaha, a private college established in 1908. In 1968, UNO became a state institution when the Municipal University of Omaha merged with the University of Nebraska. As Nebraska's metropolitan University, UNO is characterized by its strong academic foundations and creative community relationships that transform and improve the lives of constituents, the region, and the nation. The University of Nebraska at Omaha's vision is that it will be among the nation's premier metropolitan universities - a university of high distinction with strong academic and scholarly values distinguished by creative relationships with the communities we serve. Today, UNO serves a diverse student population, which includes international students from 120 countries, with comprehensive academic programs from baccalaureate through doctoral levels.
