Draft Agenda -Spring Strategic Planning Forum

University of Nebraska at Omaha - April 20, 2009

Goals of the Session:

- Increase the awareness of the concept of community engagement
- Establish priorities for community engagement
- Gather input about best practices from other universities who have been successful at community engagement

UNO defines **Community Engagement** as collaboration between the University and its local, regional, national and global communities for the exchange of knowledge and resources. As an “engaged” campus, UNO is fully committed to creating value through mutually beneficial partnerships where information and expertise is shared and applied for the common good.
