This Monograph is brought to you for free and open access by the Barbara A. Holland Collection for Service Learning and Community Engagement (SLCE) at DigitalCommons@UNO. It has been accepted for inclusion in Bibliographies by an authorized administrator of DigitalCommons@UNO. For more information, please contact unodigitalcommons@unomaha.edu.
Service-Learning in Health Professions Education

Bibliography

The following list of resources will provide direction and useful information as you develop your service-learning or community service program. Please note that some resources are listed with telephone or contact information for ordering a particular book or article. The list is not intended to be exhaustive, but reflects a compilation of materials recommended by Community-Campus Partnerships for Health. If you have a recommended resource to add to this list, please contact us at ccph@itsa.ucsf.edu.
