The UNO Success Academy serves as an entry point for a select group of first year students at UNO. During this program, students will set a foundation for future success through a wide-range of meaningful activities. By the end of the program, students will have developed foundational college-level skills while making connections with faculty, staff, other students, and our campus as a whole.

UNO understands the types of challenges first year students face and is committed to supporting our students' academic and personal success. This program is designed to help prepare students to take advantage of their time on campus and support their transition to university life.

Program Benefits

- Guaranteed enrollment in high demand general education classes
- Priority placement in required English and Math courses
- Opportunity to interact and network with other students
- Enhanced academic and social opportunities
- Connect with campus resources and department
- Academic skills enrichment including time management, organization, and success strategies

Program Learning Outcomes

As a result of participating in the UNO Student Success Academy, students will be able to:

- Demonstrate self-efficacy and self-advocacy by making use of university resources.
- Identify strategies to find balance and success in their transition to college.
- Establish meaningful connections with faculty, other students, and the UNO campus.
- Define educational goals and a plan for student success.
