SPR Welcomes New Grants Coordinator

In April 2001, **Nancy Schlesiger** joined the staff of the Office of Sponsored Programs and Research as the new grants coordinator. Nancy is a long-time University of Nebraska employee and comes to UNO after serving for a number of years as the manager of Sponsored Programs at the Medical Center campus. Most recently, Nancy was the project assistant for the Metro Omaha Educational Consortium at UNO's College of Education.

Nancy is one of only two research administrators in the state of Nebraska to have earned the CRA

(Certificate of Research Administration) from the nationally accredited Research Administrators' Certification Council. Nancy's responsibilities include working with UNO faculty and staff as they pursue external funding opportunities.

"We are absolutely thrilled to have Nancy on board," says Mary Laura Farnham, Director of SPR. "She has a strong background in research administration that has already proven to be an asset. UNO is very lucky to have her as part of the SPR team."
