INSTRUCTIONS FOR PART A. FIRST-PROFESSIONAL DEGREES IN SELECTED FIELDS

FIRST-PROFESSIONAL DEGREES IN SELECTED FIELDS. The first-professional degrees to be reported in columns 4 and 5 are those degrees which signify the completion of the academic requirements for selected professions, which are based on programs which require at least two academic years of previous college work for entrance and which require a total of at least six academic years of college work for completion. For example, include professional degrees in Law (LL.B. or J.D.), Medicine (M.D.), Theology (B.D.), and so forth. Degrees beyond the first-professional in these fields are to be reported in Part B.

Report all master's degrees in Part B, columns 6 and 7, even though the master's degree is required in some fields, such as Library Science and Social Work, for employment at the professional level and even though, as in the case of Social Work, 4 years of undergraduate work are required for entrance into the program and an additional 2 years for completion of the master's degree.

	1700		BIOLOGICAL SCIENCES						

Distinguish PREMEDICAL, PREDENTAL, and PREVETERINARY SCIENCES from BIOLOGY, GENERAL, Item 1704. The former, in general, includes curriculums in which the premedical sciences predominate, without specialization in any one specific subject. The last year or two of such a curriculum is frequently taken in a MEDICAL, DENTAL, or VETERINARY school. BIOLOGY, GENERAL typically includes curriculums oriented toward preparation for the teaching of biology in high school or college, or toward further specialized study in such fields as MICROBIOLOGY, ENTOMOLOGY, GENETICS, etc. When the distinction between Items 1701 and 1704 is difficult to make, classify in the broader category (Item 1704).

NOTE: Students intending after graduation to enter schools of MEDICINE, DENTISTRY, or VETERINARY MEDICINE are not necessarily enrolled in PREMEDICAL, PREDENTAL, or PREVETERINARY programs (Item 1701); some of them choose to take more specialized programs, in which case their degrees should be reported in Item 1713, ANATOMY and HISTOLOGY; Item 1721, BIOCHEMISTRY; etc.

HIGHER EDUCATION GENERAL INFORMATION SURVEY

SCHEDULE I. DEGREES AND OTHER FORMAL AWARDS CONFERRED BETWEEN JULY 1, 1967 AND JUNE 30, 1968

SCHEDULE I IS DIVIDED INTO THREE PARTS:

PART A is concerned with first-professional degrees only. Formerly, these degrees were reported in the same section as bachelor's, master's, and doctor's degrees. Because first-professional degrees are awarded in relatively few fields, it seemed desirable to place them in a separate part of the questionnaire rather than in the complete field listing.

PART B is concerned with bachelor's, master's, and doctor's degrees.

PART C is concerned with awards below the bachelor's level (*Associate in Arts degrees and other formal awards*).

Many institutions will appropriately skip one or more of the three parts. If a particular part (*A, B, or C*) does not apply to you, please indicate that fact and forward that part to us along with those you did complete.

SEPARATE SPECIFIC INSTRUCTIONS ARE PROVIDED FOR EACH OF THE THREE PARTS

GENERAL INSTRUCTIONS FOR ALL PARTS

Please examine the definitions and instructions which accompany each part. If you need additional clarification on any of them, please call Dr. Marjorie Chandler, area code (202) 962-7301, Washington, D. C.

1. PROMPTNESS. Registrars are respectfully requested to complete the report-form by August 15, 1968.

If degrees or other awards were conferred in 1967-68 for the FIRST TIME in a field of study new to your institution, please place a check mark beside the item number. This will save correspondence later regarding the entry.

2. INCLUSIVE DATES. Report degrees conferred from July 1, 1967 through June 30, 1968 including those granted at the end of the 1967 summer session.

3. BRANCH INSTITUTIONS. Please be sure to indicate in Items 6 and 7 whether your report includes or excludes awards to students at branches of your institution. (*Please do not include awards by branches outside the United States, its Territories, or possessions.*)
