DEFINITIONS

MULTI-CAMPUS INSTITUTION. An organization bearing a resemblance to an institutional system, but unequivocally designated as a single institution with either of two organizational structures: (1) an institution having two or more campuses responsible to a central administration (which central administration may or may not be located on one of the administratively equal campuses) or (2) an institution having a main campus with one or more branch campuses attached to it.

MAIN CAMPUS. In those institutions comprised of a main campus and one or more branch campuses, the main campus (sometimes called the parent institution) is usually the location of the core, primary, or most comprehensive program. Unless the institution-wide or central administrative office for such institutions is reported to be at a different location, the main campus is also the location of the central administrative office.

BRANCH CAMPUS. A campus of an institution of higher education which is organized on a relatively permanent basis (i.e., has a relatively permanent administration), which offers an organized program or programs of work of at least 2 years (as opposed to courses), and which is located in a community different from that in which its parent institution is located. To be considered in a community different from that of the parent institution, a branch shall be located beyond a reasonable commuting distance from the main campus of the parent institution.

INSTITUTIONAL SYSTEM. A complex of two or more institutions of higher education, each separately organized or independently complete, under the control or supervision of a single administrative body.

IF THE EDUCATIONAL PROGRAM AT YOUR INSTITUTION HAS CHANGED DURING THE PAST YEAR SO THAT THIS YEAR'S FALL ENROLLMENT REPORT IS SIGNIFICANTLY DIFFERENT FROM THE REPORT SUBMITTED IN FALL 1972, PLEASE EXPLAIN THE DIFFERENCES.

* FTE is based ^{on} part-time students only and does not reflect the FTE of total headcount as used in previous years.

PLEASE READ THE FOLLOWING INSTRUCTIONS AND DEFINITIONS BEFORE COMPLETING THIS FORM. DETACH THIS PORTION AND RETURN THE COMPLETED FORM TO THE U.S. OFFICE OF EDUCATION, NATIONAL CENTER FOR EDUCATIONAL STATISTICS, ATTENTION: ROOM 2164-HEGIS, 400 MARYLAND AVENUE, SW., WASHINGTON, D.C. 20202, OR YOUR HEGIS COORDINATOR.

DEFINITIONS

FULL-TIME-EQUIVALENT ENROLLMENT data requested on this year's form are for **PART-TIME STUDENTS** only. Report FTE's as **WHOLE** numbers only.

FIRST-TIME STUDENTS — Entering freshmen who have not previously attended **ANY** college. Include students who attended college for the first-time in the summer of 1973. Also include students who entered with advanced standing (*college credits earned before graduation from high school*).

BACHELOR'S-DEGREE-CREDIT PROGRAMS — Any work creditable toward a bachelor's degree. In 2-year institutions, those programs from which the credits earned are transferable to a bachelor's degree program.

NON-BACHELOR'S-DEGREE-CREDIT PROGRAMS — Organized occupational curriculums of less than four years, primarily in the vocational and technical fields, not chiefly creditable toward a bachelor's degree. Normally terminal and result in formal recognition such as a certificate or diploma.

LOWER DIVISION — In 4-year institutions, includes freshmen and sophomores in bachelor's degree programs. In 2-year institutions, includes students in associate degree programs. Also includes, in all levels of institutions, students in terminal-occupational programs of one, two, or three years that result in formal recognition below the baccalaureate.

UPPER DIVISION — Students who have completed the sophomore year and typically are enrolled in a 4- or 5-year bachelor's degree program. (*Students in professional programs of 6 or more years should generally be included on line 08*).

UNCLASSIFIED STUDENTS — Not candidates for a degree or other formal award, although taking courses in regular classes with other students. This category includes students who cannot be classified by academic level as well as students who already have degrees but who are taking additional courses at the same degree level or lower; this also applies to students with degrees below the baccalaureate at 2-year institutions.

FIRST-PROFESSIONAL STUDENTS — Students enrolled in a professional school or program which required at least 2 academic years of college work for entrance and a total of at least 6 years for a degree. Report only students in those first-professional degree programs in the fields of medicine, law, and theology specified in Part A of OE Form 2300-2.5 Students Enrolled for Advanced Degrees. Students in programs requiring only 4 or 5 years beyond high school should be reported as undergraduates.

GRADUATE STUDENTS — Students who hold the bachelor's or first-professional degree, or equivalent, and are taking work at the graduate level.

FULL-TIME STUDENTS — Those whose academic load—coursework or other required activity—is at least 75% of the **normal full-time load**.

NORMAL FULL-TIME LOAD — Usually determined by dividing the total number of credits required for completing the program by the number of terms normally required to obtain them.

INSTRUCTIONS

NOTE: Listings of data for individual institutions are regularly included in published reports of this survey.

Proofread the completed report before returning it to the U.S. Office of Education.

This questionnaire is not as detailed as those used in the previous three years, in that extension students are not separately listed, but are included with resident students. Also, nonbachelor's degree-credit students are included with total undergraduate students.

This report should include only college-level students taking work creditable toward a bachelor's or higher degree or some other formal recognition below the baccalaureate.

If you need clarification of any item on the questionnaire, please call **Mr. George H. Wade**, U.S. Office of Education, (202) 962-7301, in Washington, D.C.

If exact counts are lacking for a particular category of students that should be reported, include an estimate for that group.

Do **NOT** fill out separate forms for extension centers. Only campuses with their own FICE code numbers should be reported on separate questionnaires. Extension students should be reported on the form for the main campus.

COMPLETE THIS FORM as soon as detailed enrollment breakdowns are available, but no later than November 1, 1973.

PLEASE RETURN YOUR ENROLLMENT DATA ON ONE OF THE ORIGINAL COPIES OF THE FORM SENT TO YOU. DO NOT SEND PHOTOSTATIC COPIES. ADDITIONAL COPIES OF THE FORM WILL BE SENT ON REQUEST

Do **NOT** include in this report:

- (a) Students in noncredit adult education courses.
- (b) Students taking courses at home by mail, radio, or television.
- (c) Students enrolled only for "short courses."
- (d) Auditors.
- (e) Students studying abroad.
- (f) Students in any branch campus or extension center in a foreign country.
- (g) High school students taking college courses.
