Overview

Graduation Rates Overview

Welcome to the IPEDS Graduation Rates (GR) survey component. The GR component collects data on the cohort of full-time, first-time degree/certificate-seeking undergraduate students and tracks their completion status at 150% of the normal time to complete all requirements of their program of study. This information is collected to assist institutions in complying with the requirements of the Student Right-to-Know Act.

Data Reporting Reminders

Once a student is in the cohort, they remain in the cohort, even if their status changes to part-time or they drop out or transfer out of the institution. However, adjustments can be made to the cohort for allowable exclusions, which include the death of a student, permanent disability, military deployment, or service on an official church mission or with a foreign aid service of the Federal government.

 When reporting award levels for sub-baccalaureate certificates, determine program length by the number of credit or contact hours, NOT the academic year length in parentheses. The academic year length is meant only to provide context.

Changes to This Year's Graduation Rates Component:

- IPEDS will collect the HEA, as amended, required graduation rate for Pell recipients and recipients of a subsidized Direct Loan who did not receive a Pell Grant. A recipient will be defined as anyone who receives and uses these awards anytime within their first year

Section I - Establishing cohorts

Based on your institution's response to the predominant calendar system question (B3) on the Institutional Characteristics Header survey component from the IPEDS Fall 2017 data collection, your institution must report graduation rates data using a:

Fall Cohort

A fall cohort is used by institutions with standard academic terms (semester, trimester, quarter, 4-1-4). A full-year cohort is used by institutions offering primarily occupational/vocational programs and operating on a continuous basis.

Establishing cohorts

NOTE: Reporting using the new race/ethnicity categories is now mandatory. On this screen you will need to revise your preloaded 2011 cohort of full-time, first-time degree/certificate-seeking undergraduate students to the new race/ethnicity categories (if applicable). For information and assistance with this, please visit the [IPEDS Race/Ethnicity Information Center](#).

Section I - Establishing cohorts

- Incoming students seeking a bachelor's degree should be reported in Column 02. Column 03 will then be generated for you. Column 03 is meant to include any full-time, first-time entering students who were seeking a degree or certificate other than a bachelor's degree, such as an associate's degree or undergraduate certificate.
- If you have no changes to the preloaded data on this screen, click the "Save and Next" button to generate additional screens for reporting completers and transfers/exclusions.

Establishing cohorts

- Report Hispanic/Latino individuals of any race as Hispanic/Latino
- Report race for non-Hispanic/Latino individuals only

Section II - Bachelor's or equivalent degree-seeking subcohort - Transfers/exclusions

- In the columns below, report the status of those students in the BACHELOR'S OR EQUIVALENT DEGREE-SEEKING SUBCOHORT listed in Column 10 who did not complete a program within 150% of normal time to completion.
- Report transfers-out who did not complete a program in Column 30. If the mission of your institution includes providing substantial preparation for students to enroll in another eligible institution WITHOUT having completed a program, you must report transfer-out data in Column 30. A school is required to report only on those students that the school knows have transferred to another eligible institution. A school must document that the student actually transferred. If it is not part of your mission, you may report transfer-out data if you wish.

 Students who left school to serve with a foreign aid service of the Federal Government
 Students who left school to serve on an official church mission
- Column 52 [No longer enrolled] will be calculated for you. This includes students who have dropped out as well as those who completed in greater than 150% of normal time.
- If you do not have any values to report in either Column 30, 45, or 51, you must enter at least one zero in a field on this screen to continue.

Section III - Other degree/certificate-seeking subcohort - Pell recipients and recipients of a subsidized Direct Loan who did not receive a Pell Grant

For each subcohort, report the number of students in the cohort, total exclusions for the cohort, the number of students who completed a bachelor's or equivalent degree with 150%, and the total completers within 150%.

- Recipients of a Pell Grant and Recipients of a Direct Subsidized Loan that did not receive a Pell Grant are **mutually exclusive**, that is, if a student is in one cohort, they cannot be in the other cohort.
 - The total of these 2 subcohorts must be less than the other degree/certificate-seeking cohort
