ROLE AND MISSION

The role and mission of the University of Nebraska at Omaha (UNO) reflects a distinctively metropolitan emphasis. Accordingly, many of the academic majors, research activities, and public service programs are designed to respond to its urban/suburban environment. The University also has state-wide responsibility for providing programs and services in criminal justice, gerontology, public administration, urban studies, and social work. The Nebraska Business Development Center (NBDC) is a cooperative program of the U.S. Small Business Administration and the University of Nebraska at Omaha. NBDC administers its small business program at locations throughout Nebraska. UNO exists for the purpose of providing appropriate educational opportunities, discovering and disseminating knowledge through research and teaching, and offering public service to the citizens of the state, particularly the residents of the Omaha metropolitan area.

GENERAL DESCRIPTION

The University of Nebraska at Omaha is a comprehensive, public university located in the heart of Nebraska's largest city. It is the second-largest higher education campus in the state. UNO is part of the University of Nebraska system, which also includes the University of Nebraska-Lincoln, the University of Nebraska at Kearney and the University of Nebraska Medical Center.

The University of Nebraska at Omaha, with 482 full-time faculty members, offers more than 100 baccalaureate degree programs and approximately 50 masters and doctoral degree programs. Undergraduate degree programs are offered in the colleges of Arts and Sciences, Business Administration, Education, Fine Arts, Information Science and Technology, Public Affairs and Community Service, and Division of Continuing Studies. Programs and courses also are offered in the College of Human Resources and Family Sciences, the College of Engineering and Technology, the College of Agriculture and Natural Resources, and the College of Architecture, which are administered by the University of Nebraska-Lincoln. The College of Public Affairs and Community Service is administered by the University of Nebraska at Omaha on both the Omaha and Lincoln campuses.

With a student body of 14,886 undergraduate and graduate students, the University strives to treat each student as an individual. The UNO student population is a diverse mix of full and part-time students, men and women, and traditional and non-traditional-age enrollees. Students come from all walks of life, from business professionals to international students. Such broad backgrounds and experiences enrich the classroom atmosphere. Ample opportunity is provided for specialized study in terms of interest, talent and ultimate vocational objective. Thus, the University is concerned that its graduates be good citizens who earn a better living and live a richer, fuller life.

The University, in addition to offering courses for college credit, designs training courses for thousands of business and industrial employees; provides in-service training for elementary and secondary school teachers; conducts distance education classes for college credit and sponsors a wide variety of conferences, workshops, lectures, and fine art events to enrich the college credit offerings.

HISTORY

What is now the University of Nebraska at Omaha was founded in 1908 as the University of Omaha, a private non-sectarian college, with a campus at 24th and Pratt Streets in northeast Omaha. The first term of the co-educational college began in 1909, under the leadership of Dr. Daniel E. Jenkins, with twenty students.

The movement to make the University a municipal institution began in 1929, and in May, 1930 the citizens of Omaha voted to establish the Municipal University of Omaha. In the summer of 1930, the Omaha Board of Education selected the first University Board of Regents who was inducted into office on July 1, 1930. In January, 1931 the new Board of Regents took over the University of Omaha and its properties.

The expansion of the Municipal University of Omaha in the early 1930s led to a decision to move the campus to a 52-acre site southwest of Dodge and 60th Streets. In November 1936, the University secured a grant from the Works Progress Administration which, together with some accrued building funds, financed the construction of a Georgian-style building. This building, now called Arts and Sciences Hall, was finished in 1938 and served as the sole campus building until the 1950s.

In July 1968, the citizens of Omaha voted to transfer all University property to the University of Nebraska, and the former Municipal University of Omaha became the University of Nebraska at Omaha.

The University began rapid growth when it became a part of the University of Nebraska System. Enrollment was 8,730 in the fall of 1967 which was the last year as the Municipal University of Omaha. Three years later, enrollment was 13,185, a growth of 51 percent in the first three years as the University of Nebraska at Omaha.   Student enrollment for the fall 2005 semester is 14,886.

The Dodge Street campus has expanded from its original 52 acres to the current 158.5 acres at two locations. On January 17, 1998 the Board of Regents approved a ground lease with Nebraska Housing I Limited Partnership (with Century Development as the general partner) to provide 576 beds of student housing at UNO. Six buildings and a club/office was completed for the fall 1999 semester and Scott Hall was completed for the fall 2000 semester which provided housing for an additional 164 students. Scott Village opened in fall 2003; total on-campus housing capacity is now 1,212 students. Groundbreaking for The Peter Kiewit Institute of Information Science, Technology and Engineering began on September 10, 1997 and was open for the fall 1999 semester. This 147,797 square foot facility is located on the former Aksarben property and is designed to meet present needs and has the flexibility to adapt easily to breaking

technologies of tomorrow.   The building houses UNO's College of Information Science and Technology and the Omaha-based programs of UNL's College of Engineering and Technology.

Note: Factors used for conversion of Part-Time Students for FTE by SCH
         Undergraduate Students - Part-Time Hours divided by 12
         Graduate Students   - Part-Time Hours divided by 9

         FTE by Full-Time Plus 1/3 Part-Time = Total Full-Time Students Plus 1/3 of Part-Time

         Student to Faculty Ratio = Full-Time plus 1/3 Part-Time Students divided by Full-Time
