General Education 2009 - 2010 Archive

Welcome to the UNO General Education website. Currently, General Education is one of three UNO AQIP (Academic Quality Improvement Project) Action Projects. UNO follows the AQIP <http://www.aqip.org/> process or path for its institutional accreditation from the Higher Learning Commission/North Central Association.

UNO's strategic plan envisions a student centered institution of academic excellence. In support of this goal, a campus wide discussion about general education learning outcomes was begun in 2007. In Spring 2009, general education was selected as one of three new action projects identified as part of our continuous quality improvement initiative. Deborah Smith-Howell, Associate Vice Chancellor for Academic Affairs and Dean for Graduate Studies is the facilitator of the General Education Steering Committee. The members of the committee are:

- David Boocker, Dean, College of Arts and Sciences
- Dana Richter-Egger, Director, Math and Science Learning Center
- Joseph Brown, Psychology
- Shelton Hendricks, Psychology/Faculty Senate
- David Conway, Associate Dean, College of Education
- Deepak Khazanchi, Associate Dean, College of Information Science and Technology
- Scott Tarry, Aviation Institute
- Julie Masters, Gerontology
- Lisa Sandlin, Writers Workshop
- Kath Henebry, College of Business Administration
