In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1990, 20 U.S.C. Sec 1092, the University of Nebraska at Omaha provides information relating to crime statistics and policies concerning campus security to current students, faculty and staff. The law requires colleges and universities to publish and distribute, through publications, mailings or Internet or Intranet websites, an annual report. The report must be distributed in October each year.

This is to notify all UNO students, faculty and staff that the most current Annual Report is now available online. The information can be viewed by going to the [Campus Security website](#) and select [Campus Security and Fire Safety Report](#) on

the left hand side.

In addition, Campus Security posts **security safety alerts** and other security and personal safety-related information on this site. Employees and students are encouraged to review the information on a routine basis and contact Campus Security with any questions or concerns.

Faculty, staff, and students are also encouraged to review personal safety videos and safety services below.
