OFFICE OF INSTITUTIONAL EFFECTIVENESS

FACT BOOK

ACADEMIC YEAR 2015

University of Nebraska Omaha

The Fact Book presents important campus information in data tables and charts. Included are details regarding students, faculty, staff, and alumni. Generally, data are broken out by college, rank, level, gender, age and ethnicity for both spring and fall semesters, past to present. There are a few academic year tables that include information on tuition & fees, student credit hours by program, and degrees conferred. We wish to thank the many individuals and departments at the University for their contributions to the Fact Book.

Please direct comments and suggestions about how we might improve this report to jgutheilbykerk@unomaha.edu or call 4-2367.

UNIVERSITY OF NEBRASKA AT OMAHA

Role and Mission

As defined by the State of Nebraska, the object of the University of Nebraska is "to afford to the inhabitants of this state the means of acquiring a thorough knowledge of the various branches of literature, science and arts."[1] The University of Nebraska at Omaha has the specific responsibilities of "operating general programs of undergraduate instruction and programs of graduate instruction, research, and public service" pursuant to its legislatively assigned role and mission.[2]

The University of Nebraska at Omaha, Nebraska's metropolitan university, has primary responsibility within the state for the operation of urban-oriented programs that carry out this mission of teaching, research, and service.[3] The University also has the responsibility of operating the Nebraska Business Development Center, a cooperative program of the UNO College of Business Administration and the United States Small Business Administration that provides small business development services through a series of centers throughout Nebraska.[4]

---

1. Neb. Rev. St. § 85-102.
   The object of [the University of Nebraska] shall be to afford to the inhabitants of this state the means of acquiring a thorough knowledge of the various branches of literature, science and arts.
2. Neb. Rev. St. § 85-102.02.
   (2) The University of Nebraska at Omaha shall have responsibility for operating general programs of undergraduate instruction and programs of graduate instruction, research, and public service as authorized by the Board of Regents consistent with the role and mission assignments provided in Chapter 85, article 9.
3. Neb. Rev. St. § 85-945.
   The University of Nebraska at Omaha shall continue to be the primary unit within the University of Nebraska for urban-oriented programs. Subject to approval by the Board of Regents of the University of Nebraska, the University of Nebraska at Omaha may offer doctoral programs upon demonstration of compelling need in disciplines in which it has a demonstrated capacity as authorized and approved by the Coordinating Commission for Postsecondary Education pursuant to sections 85-1413 and 85-1414. There shall be no duplication of administrative responsibility for any urban-oriented program among units of the university.
4. Neb. Rev. St. § 81-1273.
   The Legislature finds and declares: [...]
   (2) That the Nebraska Business Development Center, a department of the University of Nebraska at Omaha, shall provide business development services through a network of small business development centers at Chadron State College, Peru State College, the University of Nebraska at Kearney, the University of Nebraska-Lincoln, the University of Nebraska at Omaha, and Wayne State College.

General Description

The University of Nebraska at Omaha is a comprehensive, public university located in the heart of Nebraska's largest city. It is the second-largest higher education campus in the state. UNO is part of the University of Nebraska system, which also includes the University of Nebraska-Lincoln, the University of Nebraska at Kearney and the University of Nebraska Medical Center.

The University of Nebraska at Omaha, with approximately 500 full-time faculty members, offers academic programs, including 130 undergraduate degree and certificate programs and 70 graduate degree and certificate programs. Undergraduate degree programs are offered in the colleges of Arts and Sciences, Business Administration, Education, Communication, Fine Arts & Media, Information Science and Technology, Public Affairs and Community Service, and the Division of Continuing Studies. Programs and courses also are offered in the Colleges of Human Resources and Family Sciences, Engineering and Technology, Agriculture and Natural Resources, and Architecture, which are administered by the University of Nebraska-Lincoln. UNO administers the College of Public Affairs and Community Service on both the Omaha and Lincoln campuses.

With a student body of over 15,000 undergraduate and graduate students, the University focus on students is the top strategic goal. The UNO student population is a diverse mix of full and part-time students, and traditional and non-traditional age enrollees. Students come from all walks of life, including traditional students who live on or off-campus, part-time students, working professionals, and international students. The broad backgrounds and varied experiences of the UNO student population enrich learning. Ample opportunity is provided for specialized study in terms of interest, talent and ultimate vocational objective. The University works to ensure that its graduates be good citizens who earn a better living and live a richer, fuller life.

The University, in addition to offering courses for traditional college credit, offers college credit to talented high school students in the UNO dual enrollment program, designs training courses for thousands of business and industrial employees; provides in-service training for elementary and secondary school teachers; is a leader in quality distance education instruction and sponsors a wide variety of conferences, workshops, lectures, and fine art events to enrich the college credit offerings.

Opportunities for teaching and research abroad, coordinated by the Office of International Studies and Programs, exist through the University's network of sibling institutions in Afghanistan, Australia, Austria, Belgium, Bosnia-Herzogovenia, Canada, China, Czech Republic, Finland, Germany, Greece, India, Japan, Latvia, Lithuania, Mexico, Moldova, Nicaragua, Norway, Philippines, Romania, Russia, South Korea, Tajikistan, the Ukraine, United Kingdom and other countries.

History

The University of Nebraska at Omaha had its beginnings in the University of Omaha, a private college established in 1908. The University of Omaha, a co-educational institution affiliated with the Presbyterian Theological Seminary at Omaha,1 admitted its first twenty-six students for the Fall 1909 semester under the leadership of founding president Dr. Daniel E. Jenkins.2 The University grew swiftly, with the original twenty-six students growing to approximately a thousand by 1929.3

Between 1918 and 1933, the number of municipal universities in the United States expanded from twenty-three to 167, and the University of Omaha was part of this trend.4 In May 1930, the people of Omaha voted to accept the University as a city institution, and the Regents of the Municipal University of Omaha, appointed by the Omaha Board of Education, assumed control of the institution in January 1931. As enrollment and library holdings continued to grow, new facilities became necessary.5 In November 1936, the University obtained a New Deal grant from the Public Works Administration to aid in the construction of a new campus at 60th and Dodge Streets.6 What is now Arts and Sciences Hall opened for summer classes in 1938.7

The University experienced another major transformation in 1968 with its integration into the University of Nebraska, accomplished with the overwhelming support of students and citizens.8 The Municipal University of Omaha had 8,730 students in the fall of 1967; by 1970, the University of Nebraska at Omaha had a fall enrollment of 13,185.

The University of Nebraska at Omaha's growth has continued. The Peter Kiewit Institute, the first building on the Pacific Street Campus, opened in 1999 to house UNO's College of Information Science and Technology and the Omaha programs of the University of Nebraska–Lincoln's College of Engineering and Technology. The first student housing at UNO also opened in 1999; student housing has since expanded to provide over 1,600 beds, allowing a tenth of the student body to live on campus. As of January 22, 2010, the campus is planning construction of another student housing facility on the Pacific Street site near the Scott Conference Center. Mammel Hall, the new home of the College of Business

Administration was dedicated October, 2010. The Health, Physical Education, and Recreation Building renovation was dedicated October, 2010. The Welcome Center was dedicated August, 2010.

As of the Fall 2010 semester, enrollment had grown to 15,448. Facilities have expanded from a single building on one campus in 1938 to over forty buildings administered by the University of Nebraska at Omaha. Capital projects currently underway include:

- Sports fields
- Renovation of Roskens Hall to house the College of Education started August 2010 and will be completed August 2011
- The Community Engagement Center facility is in planning stages
- Development of the Center Street Campus
- Planning and construction of additional Student Housing on Pacific Street Campus.

Starting October 8, 2008, UNO held a year-long celebration of its centennial, reflecting upon its first century of growth and transformation, and beginning in 2009, the College of Arts and Sciences is celebrating a hundred years of excellence in liberal arts education. Through the support of the State of Nebraska, the City of Omaha, and donors, the University of Nebraska at Omaha will continue its strong traditions of student focus, academic excellence, and community engagement into its second century.

Campus and Program Accreditations

Academic Quality Improvement Program (AQIP)

UNO has aligned itself with the Academic Quality Improvement Program (AQIP) of the Higher Learning Commission, which ensures a commitment to continuous quality improvement. The University of Nebraska Omaha has been accredited continuously by HLC (and its forerunner, the North Central Association) since 1939. The Higher Learning Commission accreditation process in which UNO participates is entitled the Academic Quality Improvement Program (AQIP) Pathway. At the university level, the quality improvement process is led by the AQIP Steering Committee. Institutional accreditation is reviewed on a regular cycle, usually every eight to ten years. UNO's most recent application review took place in 2010, and the next application will be reviewed in 2018. However, accreditation is an on-going process.

Table 45: University Library (General Information)

The University of Nebraska at Omaha Libraries include the Dr. C.C. and Mabel L. Criss Library and the KANEKO-UNO Library.

Criss Library offers innovative services and facilities in addition to traditional academic research and study materials. Renovations in 2013 included a major expansion of Archives and Special Collections and the construction of the Creative Production Laboratory (CPL). The OCLC Worldcat catalog database contains over 2,000,000 records describing the books, journals, government documents, audio/video materials, and other items owned by the library. The Arthur Paul Afghanistan Collection and the U.S. Senator Chuck Hagel Papers serve researchers as unique collections of national and international importance.

The KANEKO-UNO Library, located within The KANEKO at 12th and Jones Streets in Omaha's Old Market is a distinctive space for study, research, and investigation. The space and the collection of over 1,000 items address the theme of creativity, and they combine to inspire visitors to expand their horizons across many disciplines. The KANEKO-UNO Library is equipped with state-of-the-art video conferencing and current computing equipment and software.

Detailed information about both libraries may be found at http://library.unomaha.edu.

Collections 2015*

Books, journals, government documents, other paper items	1,461,751
Electronic books	550,160
Microfilm and microfiche	125,723
Audio/video items	11,496
Current subscriptions, paper and electronic	79,524
Databases	241

*In June 2015, OCLC Worldshare Management Services launched a new Analytics facility, which was consulted to derive these statistics. The totals were derived from both "location" and "format" codes, which combine to reflect the records associated with Criss Library in the OCLC Worldcat catalog database. These 2015 statistics constitute a new baseline, especially for physical collections. Researchers should note that individual items available in databases are not completely reflected here; for example, *Nineteenth Century Collections Online* and *ProQuest Congressional* both contain electronic copies of several hundred thousand books and government documents, but these are not all individually linked to records in the OCLC WorldCat database.

2015 Budget Allocations for Material Purchases

Books	511,500
Serials & Databases	2,001,500
Book & Serial Subtotal	2,513,000
Binding	6,000
Total	**2,519,000**
