CIRCULATED MATERIALS

Those with an NU system account, Kaneko membership or UNO Library Friends membership may check materials out. Here are some things to keep in mind, as some of our policies differ from those at Criss Library:

-You can find all of our materials in the [online catalog](#) used by Criss library. If we hold a copy, it will say so in the listing. If you want to search only for items we hold, add kaneko uno to your search words and our items will come up first.

-Our materials will NOT be available through Interlibrary Loan.

-Holds can be placed on circulating materials through the online catalog. They will be held at Kaneko UNO Library unless otherwise requested.

-Our library does not currently have an after-hours drop box, so items will need to be returned during regular hours or may be returned at Criss Library.

-Most of our materials will be available for check-out, but some have a format that doesn't lend itself to removal from building or are too difficult to replace due to value or rarity. (Periodicals and vinyl albums will not circulate from the Kaneko UNO Library.) Those materials will show as non-circulating in the online catalog and will be marked with this sticker.
