Please respond to each item on this report in the space provided. The Glossary provides definitions of terms used in this report.

GENERAL INSTRUCTIONS

I. INSTITUTIONAL IDENTIFICATION

In the space provided at the top of the report, make any necessary corrections to the preprinted address information. Also, please enter the name, title, area code and telephone number of the person responsible for completing the report.

II. PERIOD OF REPORT

Enrollment should be reported as of the institution's official fall reporting date or October 15.

III. INSTRUCTIONS FOR PART A - ENROLLMENT SUMMARY

A. Students included in Report. Report all students enrolled in courses creditable toward a degree or other formal award. Include students enrolled in courses that are part of a vocational or occupational program, including those enrolled in off-campus centers.

Include high school students taking regular college courses for credit. Report these students in the classification in which they are recorded by the institution.

B. Students Excluded from this Report. Do not include in this report:

1. Students enrolled exclusively in courses not creditable toward a formal award or vocational program.

2. Students exclusively auditing classes.

3. Students studying abroad (e.g., at a foreign university) if their enrollment at this institution is only an administrative record and the fee is only nominal.

4. Students in any branch campus located in a foreign country. Report these students in Part C, question 3.

C. Categorization of Students by Attendance Status and Level

The Definitions section provides detailed definitions of specific terms, and should be used to classify students by full-time and part-time status, by degree seeking or non-degree seeking, or by level of enrollment.

1. Undergraduate Students:

a. Report all students enrolled in courses for credit who are recognized by the institution as seeking a degree or other formal award as follows:

1) full-time according to their level of study or the number of credits earned on lines 01-05;

2) part-time according to level, as above, on lines 15-19.

3) unclassified undergraduates are those students who cannot be classified in terms of year of study or student level. Report these students on line 06 (full-time) or line 20 (part-time).

## VI. EDIT CHECKS

Note that total or subtotal entries are always computed by adding down columns.

A. Subtotals. Part A is organized to provide several edit checks of specific cell counts against totals. Totals of Full-Time Undergraduate Students (line 08) and Full-Time Postbaccalaureate Students (line 14), when added to the Part-Time undergraduates (line 22) and the Part-Time Postbaccalaureates (line 28), should sum to the GRAND TOTAL, ALL STUDENTS (line 29) for each of the columns.

B. Cross-Section Checks. The total for full-time students, Part B, line 12, Columns 09 and 10 should equal the total for full-time students, Part A, Lines 8 + 14, Columns 13 and 14. Similarly, the total for part-time students, Part B, line 24, Columns 09 and 10 should equal Part A, Lines 22 + 28, Columns 13 and 14. The total for all students, Part B, line 25, Columns 09 and 10 should equal Part A, line 29, Columns 13 and 14. Some verification by level of enrollment can also be made, if desired.
