## advisory council meeting

The Community Advisory Council of the College will meet at 4:00 on September 8th.

## faculty meeting

The College faculty met on Tuesday, August 26 at 3:30 in the Conference Room of Annex 19. Department chairpersons were asked to introduce their new faculty and administrative staff.

After the introductions, Bob McCune commented briefly on problems of space in the College, specifically in Annex 20. He noted that we hope to be able to get more space for Social Work in the near future and to be able to move Criminal Justice to the west side of the campus.

The committee structure was discussed, noting that there are three standing committees in the College: The Committee on Faculty Appointments, Promotion and Tenure, The Committee on Academic Standards and Curricular Development, and The Executive Committee. People elected to these committees last winter will, for the most part, serve this year also. In some cases there may need to be changes in the student representation. If your department needs to make changes, please do so and notify the Dean's Office. There may also need to be some changes in the Executive Committee. This will be handled through the Dean's Office and membership revisions announced shortly.

An assignment of personnel grievance matters has been made to the Committee on Faculty Appointments, Promotion and Tenure and of academic grievance to the Committee on Academic Standards and Curricular Development. If the committees accept these responsibilities, sub-committees will probably be formed to handle the grievance functions.

In working with the 1976-77 budget the guidelines included request of no more than 20% new funding. Since we are already at 21% with automatic cost increases, there will be very little new money available. Colleges will probably be asked to put forth only one or two priority items for new appropriations.

The new administrative appointments of Ron Ozaki, Wilda Stephenson, and Vince Webb were announced.

The faculty was reminded that parking permits must be purchased this year at a cost of \$12 for each car.

There will again be an opening University convocation this year. It is to be held at 9:45 a.m. on Tuesday September 2 in the UNO Pep Bowl. All CPACS faculty were urged to attend.

Dean Locke announced that Ralph Todd and Calvin Humphrey have been named Outstanding Educators in America for 1975, and conveyed the warm enthusiasm of the College faculty for the attainment of this honor.

Speaking briefly on the subject of tenure, Dean Locke cautioned that this must increasingly be a carefully considered, well supported award for outstanding service to the University. He then went on to summarize the growth of the College over the last three years, pointing to increases in budget, numbers of faculty, and substantial grant support of College programs.

Dean Locke announced his resignation, effective at the end of the first semester. He has accepted another position which will be announced at a later time.
