CPACS: Professionally-Oriented for Student Career
Success

CPACS has always been a professionally-oriented college, striving to prepare students for careers and creating career connections with a variety of organizations. Recently, this has ramped up. Below you will read about one good example, Aviation’s pipeline program with Southwest Airlines. Social Work is also launching a Training and Supervision Academy that will provide individual supervision for both provisionally licensed mental health practitioners (LMHP) and continuing education for fully licensed LMHPs. Public Administration has provided training for Nebraska municipal clerks since 1976, and has developed new training programs in fundraising management, nonprofit leadership, government finance officers, and the Certified Public Manager program. All these are part of Chancellor Joanne Li’s emphasis on UNO provision of workforce development programs to grow the economy of the state.

Our 50th anniversary celebrations are in full swing. And we don’t do just one party but several! See the schedule below. Hope to see you at one.

NU Foundation Corner: 50 for 50

In celebration of the 50th anniversary of the College of Public Affairs and Community Service (CPACS), we are setting a goal to raise $50,000 to support 50 CPACS students. We are inviting all alumni and community partners to join us in this tremendous effort.
CPACS was created to offer academic programs to prepare graduates to meet the critical social needs of our community and state. Your gift will assure CPACS continues to empower future leaders, foster inclusive collaboration, and create innovative solutions. Gifts to this important campaign will provide student assistance, books and supplies, and access to educational resources. You can make your gift by visiting fundraisie.nufoundation.org/CPACS50. Thank you for supporting the next generation of Mavericks.
