CONNECT.

Mavericks get involved in their community. When you connect with a faculty or staff member and participate in a campus program, you significantly improve your chance of graduating on time.

TAKE CARE.

Mavericks make it a priority to care for themselves and others. Try eating healthy foods, getting enough sleep, and exercise.

GET HELP.

Mavericks ask for help when they encounter difficult academic and personal situations. There are so many caring people and resources dedicated to supporting your success.

How do things work around here?

We can help you figure out the lay of the land, get you where you need to be, and decode your bills and statements.

CONNECT. TAKE CARE. GET HELP.
