Student Success

To get you started, our student success gurus have cracked the code on how to set your dreams in motion. Three simple actions that work whether you attend UNO online or on campus, whether you’re a transfer or international student, or the first person in your family to go to college.

Watch the Student Success video for tips on how to set your dreams in motion. A Spanish version of the video is also available.

CONNECT.
Mavericks get involved in their community. When you connect with a faculty or staff member and participate in a campus program, you significantly improve your chance of graduating on time.

GET HELP.
Mavericks ask for help when they encounter difficult academic and personal situations. There are so many caring people and resources dedicated to supporting your success.

TAKE CARE.
Mavericks make it a priority to care for themselves and others. Try eating healthy foods, getting enough sleep, and exercise.

How do things work around here?
We can help you figure out the lay of the land, get you where you need to be, and decode your bills and statements.
