Environmental Health and Safety Home

Environmental Health and Safety (EHS) serves the safety and hazardous materials management needs of the University of Nebraska Omaha (UNO).

EHS Responsibilities
Monitoring compliance with environmental, health and safety programs intended to minimize or prevent occupational injuries and illnesses in the workplace and to protect the quality of the surrounding environment.

EHS participates in a campus-wide safety committee. Learn more.

EHS is responsible for making determinations regarding hazardous waste. Review fact sheets for information regarding disposal of light bulbs, paint, batteries and other common items.

Will EHS pick up my trash?
For information about non-chemical waste pick-up and disposal please contact Environmental Services at 402.554.2500.

EHS is responsible for making determinations regarding hazardous waste. Review fact sheets for information regarding disposal of light bulbs, paint, batteries and other common items.
