Environmental Health and Safety Home

Environmental Health and Safety (EHS) serves the safety and hazardous materials management needs of the University of Nebraska Omaha (UNO).

EHS Responsibilities
Monitoring compliance with environmental, health and safety programs intended to minimize or prevent occupational injuries and illnesses in the workplace and to protect the quality of the surrounding environment.

- View EHS safety policies.
- Report an emergency.
- Advising the campus community of responsibilities with respect to health, safety and environmental issues; recommending appropriate corrective actions; and implementing new health and safety programs.
- EHS participates in a campus-wide safety committee. Learn more.
- Request training.
- Review the Chemical Safety Manual.
- View UNO student safety information.
- Acting as liaison between UNO and various external agencies and regulatory bodies. View resources.

Areas of Expertise
- EPA Waste
- Emergency Response - Chemical
- Emergency Response - Radiation
- Safety - Chemical
- Safety - Radiation
- Training

Will EHS pick up my trash?
For information about non-chemical waste pick-up and disposal please contact Environmental Services at 402.554.2500. EHS is responsible for making determinations regarding hazardous waste. Review fact sheets for information regarding disposal of light bulbs, paint, batteries and other common items.
