Earlier this month, you received an email from the chancellor informing you that the entire UNO community is expected to complete Title IX Training. The goal of the training is to make students, faculty, and staff aware of sexual violence and to understand how to prevent it.

This is a reminder that the training is now available for viewing on Firefly.

To complete the training:

- Log in to Firefly using your NU ID and password.
- Click “Title IX Training” on the home page.
- Fill out the “Guestbook” with your first name, last name, email, department, and NU ID.
- View the entire video and complete the quiz at the end. Campus resources are located in the “Attachment” tab to the left of the video screen.

Please allow about 45 minutes to finish the training. There is no need to send a confirmation email upon completion. Your training information will be stored in Firefly for UNO’s records.

If you need an ADA accessible version of the online Title IX training, please contact Angelo Nastase at 402.554.2120 or anastase@unomaha.edu.

For questions regarding the training or related to Title IX and sexual harassment, please contact Charlotte Russell, Assistant to the Chancellor for Equity, Access & Diversity, at 402.554.3490 or crussell@unomaha.edu.

Thank you, in advance, for taking the time to complete this very important training. Your compliance is critical to maintaining a campus free of sexual misconduct and harassment.
