The University of Nebraska at Omaha (UNO) participates in the Advanced Placement (AP) program of the College Entrance Examination Board (CEEB). A maximum of 32 hours of credit may apply toward graduation. Advanced Placement credit is based on criterion examination(s) administered by CEEB.

The current UNO policies regarding specific subject areas accepted and scores required are in the table below.

Students must have official copies of their scores submitted to the Office of Admissions by the College Board in order for credit to be awarded. To obtain copies of official grade reports, you can contact the [College Board](#) directly at 888.CALL.4.AP.

While every effort is made to keep this list up to date, courses may be added or deleted at any time. For further information about the UNO Advanced Placement (AP) Program, please contact the Office of the University Registrar at 402.554.2059.
