**Board of Regents**

The Board of Regents consists of [eight voting members](#) elected by district ([see map](#)) for six-year terms, and [four non-voting student Regents](#), one from each campus, who serve during their tenure as student body president. The board supervises the general operations of the university, and the control and direction of all expenditures. The board also includes a corporation secretary who manages all records including agendas, minutes, notices, policies and bylaws. Those documents can also be found on this web site.
