No Accord On Halt To Tests

17-NATION DISARM BODY REPORT TO U.N.

GRENADA, Dec. 18. (Reuters) - The Disarmament Conference yesterday asked all member states, nations and adjointing powers to continue their efforts toward a nuclear test ban.
Three Weeks In Soviet Union

By R. KHALIL

The open air museum, with gigantic electrically driven model trains, was not quite what I expected. It was not quite the usual type of the Soviet Union's scenic or historical parks. The park is a combination of many things, including the rest of Soviet Union's scenic parks. Large parts of the museum are devoted to the rest of the Soviet Union's scenic parks. In the midst of the park, you can see a real train with its own station and ticket office. The trains are all electrically driven, and you can take a ride on one of them.

The museum has a large collection of model trains from all over the world. They are all electrically driven and can be controlled by the computer. The trains are very realistic and add to the overall experience of the museum.

The museum is a great place to visit for anyone interested in trains and the history behind them. It is a great educational experience and a great place to spend an afternoon.

Also of interest is the museum's collection of model trains from all over the world. The trains are all electrically driven and can be controlled by the computer. The trains are very realistic and add to the overall experience of the museum.

The museum is a great place to visit for anyone interested in trains and the history behind them. It is a great educational experience and a great place to spend an afternoon.

In Brief

KABUL TIMES

DECEMBER 23, 1972

KABUL, Dec. 23—Mr. Ahmad, the President of the Kabul Municipal Council, had a meeting with the members of the council to discuss the problems of the city. The meeting was attended by the mayor, the city manager, and several council members. The council members discussed various issues related to the city's development, including transportation, education, and healthcare. The mayor promised to work with the council to improve the city's infrastructure and services.
