**FLOODS IN HERAT**
The unfortunate news, both human and property, inflicted on the people at the last week's and this week's flood has been reported from the Angnak River. It is the duty of the Red Cross and all other humanitarian organizations and indeed the duty of the Government to do all they can to assist those who are affected by the floods.

Reports reaching Herat say that the death toll has already passed the victims of last Friday's floods and the emergency situation has now taken on a new dimension.

Some Soviet-U.S. Accord Reported On Way To Avoid A Weapons Information Spread

WASHINGTON, April 23 (AP)—An authoritative U.S. source said today that the two superpowers have agreed on a document to be signed at a later date that will specify the procedures to be followed to prevent the spread of weapons information to the Soviet Union.

The agreement is expected to be signed by the United States and the Soviet Union and will be binding, although it will not be legally enforceable.

The new agreement will replace one that was signed in 1969 and has been effective until now.

It was not clear when the agreement will be signed, but it is expected to be sometime in the near future.
