WHAT WILL BE THE QUEEN'S ANSWER?

LONDON, July 12 (AP).—A small crowd of people had gathered in front of Buckingham Palace Sunday to watch the Queen's birthday parade. The approach up the street was marked by a spectacular display of fireworks and music, with the Palace itself being illuminated by a mass of colorful lights. The arrival of the Queen, accompanied by Prince Philip, the Duke of Edinburgh, was greeted with cheering and applause.

FAR EAST

Sino-Soviet Ideological Talks To Be Continued

Beijing Welcoming For Chinese

The People's Republic of China and the Soviet Union have agreed to continue their ideological talks at a higher level and to exchange views on various issues, according to a report by the Communist Party of China. The talks will be held in Moscow. The Chinese delegation will be headed by Premier Zhou Enlai, who is expected to arrive in Moscow on Monday. The Soviet delegation will be led by Foreign Minister Andrei Gromyko. The talks are expected to cover a wide range of issues, including the development of Sino-Soviet relations, economic and cultural cooperation, and regional and global issues.

PERKING, Monday, July 12.—Mr. Mao Tse-tung, Premier of China, has arrived in Beijing, where he is expected to meet with other top Chinese officials. This is the first visit by a Chinese leader to China's capital since the Cultural Revolution began in 1966.

The talk will be attended by a large number of Chinese officials, including Vice-Premier Zhou Enlai, Foreign Minister Chen Yen, and a number of other top officials. The talk will be held in the Great Hall of the People, which is the largest meeting place in China.

At the end of the talk, the Chinese leaders will exchange gifts. The Chinese delegation will then return to Beijing, where they will meet with other top Chinese officials.

Social & Personal

KARL, July 12.—Mr. Paul M. H. and Mrs. P. M. H., of 2565 N. Lake Shore Dr., have moved to 2801 N. Lake Shore Dr.

Cuba Protests Against U.S. Freezing Of Cuban Assets and Ban On Trade Transactions

Cuba has sent a note to protest to the U.S. Government for the freezing of Cuban assets in the U.S. and the ban on trade transactions with Cuba. The note was sent by Mr. Juan Alfonso, Minister of Foreign Affairs, to Mr. Henry Kissinger, Secretary of State.

The note from Cuba states that the freezing of Cuban assets and the ban on trade transactions are violations of Cuba's sovereignty and territorial integrity. The Cuban government has warned that it will take all necessary steps to protect its national interests.

The Cuban government also called on the international community to condemn the U.S. actions and to support Cuba's right to self-determination.

The U.S. government has responded that it will continue to take measures to protect its national interests.

TOURIST AGENCIES

Britain Extends Visa Validity For Tourists

The British government has extended the validity of tourist visas for visitors from the United States, Canada, Australia, and New Zealand. The extension will allow tourists to stay in the United Kingdom for up to six months, instead of the previous two months.

The extension will be effective from July 12, 2023, and will remain in place until December 31, 2023.

FURTHER PROGRESS ACHIEVED ON PARTIAL TEST BAN AGREEMENT

WASHINGTON, July 12 (AP).—A major step towards achieving a partial test ban agreement was taken on Sunday, with the signatures of the four original signatories—China, the Soviet Union, the United States, and the United Kingdom.

The four countries, which have been working on a partial test ban agreement for several years, have agreed to establish a mechanism to monitor the ban and to increase cooperation on disarmament.

The partial test ban agreement would prohibit nuclear explosions for military purposes, except for the testing of defensive systems.

The agreement has been welcomed by international organizations and non-governmental organizations, which have long been calling for a comprehensive test ban treaty.

The four countries have also agreed to continue negotiations on a comprehensive test ban treaty, which is seen as the next step in the denuclearization of the world.

KABL TIMES

Attention on the President, Mr. Muhammad Awais, Prime Minister of Pakistan, has been renewed by the Ministry of Defence, with the appointment of Mr. Akram Aslam as the new Chief of the Army Staff. Mr. Awais has expressed confidence in the new appointment, stating that it will help to strengthen the armed forces and their capacity to face any challenge.

Polish National Day Marked

KABL TIMES

The Ministry of Defence has announced that the celebration of the Polish National Day, which marks the 97th anniversary of the independence of Poland, will be held on Sunday, November 11, 2023.

The celebration will be held in various parts of the country, with events such as parades, speeches, and musical performances. The theme of this year's celebration is "Poland: A Nation United in Diversity." The Ministry has called on all citizens to participate in the celebration and to celebrate Poland's rich cultural heritage and history.

The celebration will be attended by Mr. Mohammad Awais, Prime Minister of Pakistan, and other dignitaries.

U.S. Africa Policy

The U.S. government has announced that it will continue to support and work with African countries to promote stability, security, and economic growth in the region.

The announcement follows the recent visit to Africa by Secretary of State Mike Pompeo, who met with leaders from countries such as Namibia, Botswana, and Angola. The Secretary of State emphasized the importance of promoting democracy, human rights, and economic development in the region.

The U.S. government has also announced that it will provide additional funding to support the efforts of African countries to address issues such as terrorism, drug trafficking, and corruption.

KABL TIMES

Local authorities in the Khyber Pakhtunkhwa province have announced that they will carry out a series of inspections in the region to ensure compliance with the new anti-corruption laws.

The inspections will be carried out by the Anti-Corruption Authority, which was established by the provincial government last year. The inspections will be conducted in various sectors, including education, health, and transportation.

The local authorities have urged the public to cooperate with the inspections and to report any cases of corruption.

It is interesting to observe how many problems of various kinds, when planning becomes the predominant policy, tend to be resolved in the course of national development. The problem of national development, which is a consequence of industrialization, is also a problem for national development in itself. The problems of national development are also problems of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. The problem of national development is also a problem of national development. Britain Grants Honduras Complete Home-Rule

British Prime Minister Edward Heath completed home-rule in her central American colony. British officials said here today that a conference which wound up Monday, will take effect January 1, 1964, with the granting of home rule.

The talks between British Honduras and the United States, which have been going on for the past six months, reached an agreement on the following issues: The home-ruling of the colony; the status of the country; and the future status of the colony.

According to a report by the British Foreign Office, the British government has been in touch with the United States government, as well as other colonial governments, on the future of the colony.
