FOUR POINTS ON PANJU RIVER SELECTED FOR HYDROMETRIC SURVEY JOINT AFGHAN-SOVET PROJECT

KABUL, October 1. A delegation led by engineer Eka Ilarionov and from the Ministry of Power, Waterways and Hydrometry of the U.S.S.R. arrived in this capital today for the purpose of selecting suitable places for hydrometric survey on the Panju River. The delegation is accompanied by four scientists from the Moscow Institute of Waterways and Hydrometry of the U.S.S.R. The purpose of the hydrometric survey is to determine the flow of the river for the development of irrigation and water supply projects in this province. This country has very few places where hydrometric survey has been carried out and the results therefore came as a big surprise to the Western visitors, the survey will be carried out in cooperation with Afghan engineers. A delegation from the Ministry of Irrigation and Water Supply of Afghanistan will be invited to participate in this survey. This is the first meeting of the Afghan-Soviet Commission for Economic and Technical Cooperation established according to the agreement signed between the two countries. This is the first meeting of the Afghan-Soviet Commission for Economic and Technical Cooperation established according to the agreement signed between the two countries.

Britain Calls For Re-Organization Of Monetary System

WASHINGTON, Oct. 2 (AP)—President Eisenhower, in a speech planned of international importance, will make a vigorous appeal tomorrow for a world economic organization that would parallel the UN. The President will call for the creation of a world monetary system that would be based on the dollar.

This appeal is expected to be the most significant of several major statements that Mr. Eisenhower will make today. The President is scheduled to deliver a address to the United Nations Assembly at noon.

Mr. Eisenhower will also make a visit to the United Nations to meet with world leaders. He is expected to discuss the importance of a world monetary system and the role that the United States can play in its implementation.

The President will also meet with leaders from other countries to discuss the importance of a strong U.S.-led international organization.

Children’s Day to be Observed Tomorrow

KABUL, October 2—Children’s day will be observed tomorrow in Kabul, with a program arranged by the Kindergarten Association of Afghanistan.

The program will take place at the National Kindergarten, which has been particularly active during the past year.

The program will feature various games and activities, and will include a speech by M. Ben Bella, the President of the Republic of Algeria.

Nasser Supports Mediterranean Nuclear Free Zone

CAIRO, Oct. 2—President Gamal Abdel Nasser of Egypt, who takes part in the Non-Aligned Movement, has issued a statement in this regard.

In his statement, Nasser emphasized the importance of maintaining a nuclear free zone in the Mediterranean region.

He said that the United States and the Soviet Union should not introduce nuclear weapons into the Mediterranean area, as this would create a dangerous situation.

Nasser also stressed the need for a comprehensive nuclear non-proliferation treaty to prevent the spread of nuclear weapons.

Stop Criticizing My Government

AYAL, May 2—Prime Minister M. Ben Bella of Algeria has called for an end to criticism of his government.

In a speech to the parliament, M. Ben Bella said that criticism of his government was unwarranted and unproductive. He said that the government was working hard to improve the living standards of the people.

The Prime Minister also said that he would continue to work towards a better future for Algeria.

U.K. Announces Readiness to Join Examinations of Mixed Nuclear NATO Plan

UNited Kingdom, October 2—The United Kingdom has announced its readiness to join the examinations of the Mixed Nuclear NATO Plan.

The announcement was made by the Prime Minister, M. Ben Bella, who said that the United Kingdom was willing to take part in the examinations.

The Mixed Nuclear NATO Plan is a joint venture between the United Kingdom and the United States.

French Protests Against Algeria

PARIS, October 2—France has protested against the decision of the United States to withdraw its forces from Algeria.

The protest was made by the French ambassador to the United Nations, M. Ben Bella, who said that the United States was acting unilaterally.

The United States has announced that it will withdraw its forces from Algeria in order to reduce the cost of maintaining the military base.

The French protest comes at a time when the Algerian government is considering the withdrawal of its forces from the United States.

The Algerian government has announced that it will withdraw its forces from the United States in order to save money.
