## Their Majesties Take Part In Peking Civic Reception; Afghan-Chinese Ties Hailed

HIS Majesty the King and Her Majesty the Queen were given A warm welcome at a rally of more than 10,000 people of all walks of life Monday afternoon.
Mr. Liu Shao-Chi, Chairman of Bandung conference, and are sinthe People's Republic of Chińa, Lai; Peking Mayor Peng Chen, Vice-Premier and Mme Ho Lung, and Kuo Mo-jo, Vice-Chairman of the Standing Committee of the National People's Congress were prese
The great Hall of the People, where the rally took place was decorated with national flags of Afghanistan and China and huge streamers inscribed with slogans
hailing friendship between the two peoples.
The Hall rose and gave a stormy ovation to greet Their Majesties when they mounted
the rostrum in the company of the rostrum in the company of
the Chinese leaders. Also on the the Chinese leaders. Also on the
rostrum were those accompanying rostrum were th
The rally opened after the band played the national anthems of played the national an
Mayor Peng Chen made a speMayor Peng Chen made a speech of welcome which was
ed by a speech delivered by His ed by a
Majesty.
Mayor Peng Chen said that the King and the Queen of Afghanisan had brought with them the people for the Chinese people. "This is a great event in the his
tory of Sino-Afghan friendship" he said.
Mr . Peng Chen praised the kingdom of Afghanistan which, under the leadership of His Majesty, had persisted in its efforts to safeguard and consolidate its national independence and develop its national economy and culture and had scored valuable achi-
vements. vements.
"The kingdom of Afghanistan consistently pursues a policy of peace and neutrality, opposes imperialism colonialism and neocolonialism, perseveres in main-
taining friendly relations with the taining friendly relations with the socialist countries, and works to
strengthen Asian-African solidaristrengthen and defend world peace,". he ty and

Afghanistan made positive contributions to the success of the
second conference of non-aligned states recently held in Cairo, Mr Peng Chen pointed out. "The progress and results of the second conference of non-alinged states have once again proved that more
than ninety per cent of the people of the world oppose imperialism, that the struggle to win and safeguard national independence is irresistible, and that, united, the forces in defence of world peace are invincible.'
The Chinese government and
people, like the Afghan governpeople, like the Afghan govern-
ment and people, "look with earment and people, "look with ear-African-Asian conference due to be held next March", he said. "We are ready, together with Afghanistan and other Asian and African countries, to work for the
suceess of the second African-Asisuccess of the second African-Asment of Bandung spirit and jan-African unity against imperialism".
Speaking of the friendship betPeen China and Afghanistan, Mr Peng Chen said: the relations firmly built on the basis of the firme principles of peaceful co-exis tence and the principles of the
cere and friendly relations mutual respect, equality and mutual support. There exists only a record of friendship and cooperation between our two countries, and no record of any mutually harmful quarrels. What is particularly worth mentioning is that the treaty of friendship and mutual non-aggression and the boundary treaty between China and Afghanistan concluded sucbecome an important milestone in the history of the friendly relathe history of the friendy and a strong bond of friendship and a stronina and Afghanistan." The Mayor said he was sure that the present visit by King Zahir Sahah and the Queen would make new and important contributions to developing the relations of friendship and cooperation between the two countries.
His Majesty then took the floo aid. "I convey with sincere plea sure the message of friendship and goodwill from our people to the great Chinese people as well as to the inhabitants of this beautiful city".
He said that the Chinese and Afghan people, bent on attaining social, economic and cultural ad vancement "are striving agains great odds. Today's great strugg against these odds reminds us o bygone struggles in the face o colonialistic expansion and encro larity experienced gives added sig larity experienced gives added sig
nificance to our two countries' mu tual bonds of friendship.
His Ms of friendship.
His Majesty paid tribute to the in their liberation their successes in their liberation struggle and an reconstruction and
He spoke of Afghanistan's achievements in building-up national economy, in expanding mass education as well as cultural faci-

Both China and. Afghanistan played a most positive role in ratifying the banning conference's historic instrument-a role which of the freedom and independenc of nations, he said.

The treaty of friendship and mutual non-aggression signed in Kabul between the People's Re public of China and Afghanistan four years ago, is the best example of friendship and mutual respect existing between the peoples and govrnments of both countries. His Majesty stated.
"The reciprocal friendly sentiments as well as the prevailing policy of good neighbourliness enabled both sides to arrive at an amicable settlement over the
matter of a formal demarcation of matter of a formal demarcation of
our joint boundaries, and still more recently in the actual setting up of frontier piliars an atmosphere of complete harmony, an atmosphere without slightest Chinese border high up in the mountains Pamir thus becomes in point of fact, a strengthening in point of fact, a strengthening in-
fluence in our friendly relations In this connection, it is I think appropriate to mention that the mutual visit of the leaders of mutual visit of the leaders of try, in the last few years, and the benefits resulting from direct and (Contd. on page 4)

Total Commitment
For Peace, Freedom
HOUSTON, Texas, Nov, 3, (AP). US President Lyndon Johnson, winding up campaign in his native Texas, pledged Monday "my total commitment is to preserve peace while protecting freedom"
This was the first of 10 promises set forth in a speech prepared for delivery to an outdoor crowl in Houston.
The fm
10 - - fo final promise among the 10-"to work as President of all no South, no North, no East or West".
The President was making his final eampaign appearances in Houston and Austin before going to his ranch home near Johnson city. Texas, where he and his
wife Ladybird will spend election day.
In his text for a rally outside the Texas University at Austin. Johnson spoke of Tuesday as a contest for the nation and the world:
"Tuesday's prize will not be the presidency-it will be progress
for America and peace for the for America and pe
world". He went on:
world". He went on :
"A stillness is on the earth to

## British Exbibition

 Opened In PekingPEKING, Nov. 3 (Reuter)Douglas Jay President of the Board of Trade (trade minisiel) Monday opened the British indus
trial exhibition here descrioing it as a shop window for British goods:
The exhibition is the biggest ever held by a western country in the Chinese Peoples Republic, with 230 British firms displaying mainly capital goods, machinery and scientific euipm
and agriculture
Jay said the exhibition was being mounted at a most propiti ous time for the expansion Sino-British trade.
Britain had seen with admiration the talents, skills and cour age of the Chinese authorities and people in surviving the hard ti1961 weather disasters, he went 1961
on.

We have been very glad io nofe that, now China has once again and capitequipment on a lurger and capital she is looking to Britain as a possible supplier
Jay said: The more we ex-
change both goods and ideas the change bath goods and ideas the
better will be the hope of peaceful co-existence between countr!es. Nan Han Chen, president of the council for the promation of $1 n-$ ternational trade said in epply. We are willing to work together with our British friends to liquidate all obstacles so as it
pand Chinese-British trade. He also said United States imperialism is always creating arti-
fictal barriers in an attempt to hinder the development of trade
