China Extends £10 Million
Loan Bearing No Interest
For Development Projects

KABUL, March 23-
The People's Republic of China signed a protocol attached to the leader agreement and economic cooperation agreement on March 22.

The agreement, signed by the China-Chile Economic and Technical Exchange Corporation and the Chinese National Economic and Technical Information Services, provides for the exchange of investments and assistance in the form of loans.

The agreement also provides for the exchange of information on economic and technological developments and for the promotion of trade and economic cooperation between the two countries.

Finance Ministry
Explains Reasons
For Imposing Tolls

KABUL, March 23-
As part of the government's efforts to improve the financial situation, the Finance Ministry has announced plans to impose tolls on the two main highways of the country.

The tolls are expected to generate approximately £7 million a year, which will be used to meet the expenses required for maintaining the highways.

Prime Minister Accepts Invitation
To Visit China

KABUL, March 23-
Prime Minister Nur Muhammad Taraki accepted an invitation to visit China on March 24.

The visit is expected to strengthen the economic and cultural relations between the two countries.

Ranger Photos Show Crater
Might Be Good Land Site

FARAKHAN, March 23-
Two Ranger photos of the crater hit by Ranger 5 on Wednesday show strong evidence of volcanic activity—indicating that the crater may be a good landing site for future space missions.

Mrs. McKay Urges
End To Bloodshed

LONDON, March 23-
Mrs. McKay, a mother of two, has urged an end to bloodshed in Afghanistan.

She said that the situation in Afghanistan was very difficult and that the government should take steps to improve the living conditions of the people.
Frontier's New Year's Address: Adoption Of Constitution Most Important Task Accomplished During Past Year

Every political party should actively cooperate with the government in the development of the country. The Constitution is the foundation of any democratic society, and its adoption is an essential step towards the establishment of a stable and prosperous country.

Formation Of Political Parties In Afghanistan
A Code Of Ethics And The Need For It

The high-speed road is the future of Afghanistan. The government is making efforts to build a road network that will connect all provinces of the country. This will not only improve transportation but also create job opportunities and boost the economy.
