Soviet Leaders Warn U.S. To Stop Intervention In Vietnam At Reception For Cosmonauts

MOSCOW, March 14—The Soviet Foreign Ministry has issued a statement of protest against the announced United States intervention in Vietnam, and warned that such interference could be used as an instrument of aggression.

The statement, signed by Foreign Ministry Chief Leonid Brezhnev, was issued in response to the United States' decision to send military aid to South Vietnam. Brezhnev said that any interference in Vietnam would be unacceptable and would be treated as aggression.

Finance Ministry Explains Reasons For Imposing Toll On Salang Highway

KABUL, March 24—Dr. Hamed, Rector of the Kabul College of Science under an affiliation with the University of Hamburg in Germany, who has come to Kabul to attend the seminar on higher education, has expressed his satisfaction with the arrangements made by the Ministry of Education and the Kabul College of Letters.

Dr. Hamed, who was introduced to Dr. Hamed, Rector of the Kabul College of Letters, said that the University of Hamburg had cooperated with the Kabul College of Letters in the field of higher education.

He added: "The University of Hamburg is interested in cooperation with the Kabul College of Letters in the field of higher education. We are planning to hold seminars and workshops on the latest developments in higher education and to promote the exchange of information and expertise between the two countries."

The Ministry of Education and the Kabul College of Letters have been advised to continue the work of maintaining the two main highways of the country—northern and eastern—through the Colombo Plan.

The government has already imposed tolls on the two main highways—northern and eastern—for the purpose of maintaining the highways year round.

The government has also decided to impose tolls on the two main highways to meet these expenditures. The price of gasolene and diesel for maintaining these highways will amount to Ms. 100,000,000.

**Highway Toll**

Many may have been surprised by the high toll rates imposed in Afghanistan for the first time in its history. The decision however is fully justified. It is a step in the right direction towards the development of the country.

**Formation Of Political Parties In Afghanistan**

A Code Of Ethics And The Need For It

Every political party should abide by the Code of Ethics. A code of ethics provides a framework for the conduct of political parties. It should be enforced by the government to ensure that political parties act in accordance with the principles of democracy, equality, and justice.
