Pioneers' Camp...

Rainfall in the province of Khost has increased significantly, according to local farmers. The rain has led to an increase in crop yields and has improved the overall agricultural situation in the area. The Ministry of Agriculture is working with farmers to ensure that they have access to the necessary resources and support to capitalize on the recent rainfall.

Provincial Agriculture Directors seminar opens

KABUL, Jan. 28, 1981. The seminar opened today in Kabul with the participation of provincial agriculture directors from across the country. The seminar aimed to discuss the role of provincial agriculture departments in sustainable development and to identify strategies for improving the agricultural sector. Participants included representatives from the Ministry of Agriculture, provincial governments, and communities. The seminar concluded with a presentation by Dr. Ali Akbar, a renowned agronomist, on the importance of sustainable agriculture.

DOAY honorary medals distributed

KABUL, Jan. 29, 1981. The DOAY, the Democratic Alliance of Youth and Students, distributed honorary medals to students and teachers today in Kabul. The medals were presented to those who have made outstanding contributions to the development of education and the promotion of cultural values in the country. The event was attended by the Prime Minister and representatives from various educational institutions. A speech was delivered by Mr. Mohammad Reza, the Secretary-General of the DOAY, who emphasized the role of education in national development and the importance of youth participation in society.

Keshman's text of speech

An important speech by Mr. Keshman, member of the Presidium of the Communist Party of Afghanistan, was delivered today in Kabul. The speech focused on the role of the Communist Party in the development of the country and the importance of workers' participation in the political process. Mr. Keshman expressed the commitment of the Communist Party to the principles of the Second Congress of the CPSU and the need for unity among all workers.

Camp of pioneers

The effort on the part of the forces of liberation for the freedom of Afghanistan is reflected in the work of the31st Training Centre for Engineers of the Ministry of Defence in Jalal-Abad. This training centre has started to work, and its first batch of students has been trained. The head of this centre, Mr. Mia Faqirullah, has said that the centre is preparing the backbone of the liberation forces with the necessary knowledge and experience.
