Benevolent Ba (2019), dir. Diffan Norman

A Muslim woman wants to sacrifice a goat on her newly purchased property. The blood of the goat must mix with the soil of the property. For various reasons no one at the scene is able or willing to slit the throat of the goat. So, the man who delivers the goat finds a friend who is able and willing to kill the goat. But, as the friend slits the throat of the goat, it is not the goat that is slaughtered. Sometimes religious rituals have unexpected consequences.
