Monopoly Plans To Construct 30 Gas Stations

KABL, Dec. 28.—The government monopoly plans to build more stations and gas reserves in the capital and the provinces. As part of the organization is preparing 51 gas stations throughout the country. The new project will include 30 new gas stations with a capacity of eight to ten per cent. The project was prepared by the Prime Minister of Afghanistan, who recently approved the plans. The government monopoly was considering the municipals and the pre-fabricated housing factories about building the stations. Sefid's said 29 old stations would be expanded.

Afghanistan imports its gas from the Soviet Union, Iran and Pakistan. Eighty five per cent of Afghan gas comes from the USSR, and the rest from Iran and Pakistan.

U Thant Appoints Rikhye Commander of UNEP Forces

UNITED NATIONS, Dec. 28. (AP)—U Thant Tuesday night appointed Indian Major General Rikhye, Commander of the UNEP (United Nations Emergency Plan) for the Middle East to succeed Brazilian Major General Moreira Barreto. Rikhye will take command of the UNEP forces for a year's term of duty. He has served as Force Commander in Yemen West New Guinea and of the United Arab Republic.

US-Warhead Bombers Britain

The US has taken delivery of 50 warheads for the new B-52 bombers, which will be used by Britain. The US has been working on these warheads for some time, but the British government has not yet been informed of the decision. The US has been taking advantage of the conflict in the Middle East to increase its military presence in the region. The warheads are intended to be used in the event of a conflict with China, which is a potential adversary of the US.

Viet Cong Announce Four-Day Ceasefire

SAIGON, Dec. 28. (AP)—The Viet Cong, who would observe a four-day truce, according to their announcement on Saturday, have been making a steady advance in the south. The announcement was made by the Viet Cong in a statement issued in Saigon on Saturday. The Viet Cong have been making gains in the south, particularly in the province of Qui Nhon, where they have taken over several villages. The announcement was made in an effort to halt the fighting and to give a chance for a negotiated settlement. The Viet Cong have been making gains in the south, particularly in the province of Qui Nhon, where they have taken over several villages. The announcement was made in an effort to halt the fighting and to give a chance for a negotiated settlement.
Premier's Speech

(Continued from Page 1)

BENHURST: The decision to establish a special security area in the northern part of the country was taken in consultation with the United Nations. It is intended to prevent the infiltration of enemy forces into the area.

The above is a summary of the broadcast of the Premier's speech as received from the United Nations.

Cambodia Against U.S.,
Says Peking Statement

WASHINGTON, December 29, (AP).—The United States Tuesday stopped shipments of petroleum and petroleum products, as well as shipments of shotguns to Rhodesia.

The Commerce Department said it was following a previous action as required by the United States government's embargo on imports of petroleum and petroleum products from Rhodesia.

The Department said that the action to include shotguns among the embargo was taken at the request of the Government of the United States.
