Opportunity For Businessmen

How can the United States business community benefit from the opening of markets in the Middle East? The recent visit of Secretary of Commerce Pascal B. Du Pont to the region has shed some light on this question. Du Pont's discussions with government officials and business leaders indicated a growing interest in trade and investment opportunities. However, there are several challenges that need to be addressed, including issues related to transportation, infrastructure, and cultural differences.

Urgent Need For Women Police In Afghanistan

Afghanistan's situation continues to be a matter of concern for the international community. With the increase in violence and instability, the need for trained women police officers becomes more pressing than ever. Their role could be crucial in maintaining order and providing a role model for women in the community.
