Dear Dr. Marzo Edir Da Silva Grigoletto:

Please find attached a review article titled "*Complexity and Human Gait*" (authors: Leslie M. Decker, Fabien Cignetti, and Nicholas Stergiou) for the special number of RAMD ("Complex System"). This review article represents original unpublished material that is not under consideration for publication elsewhere. In addition, there is no conflict of interest by the authors. The typescripts have been read and agreed upon by both authors.

Thank you in advance for your consideration. All correspondence should be directed to Dr. Nicholas Stergiou.

Sincerely Yours,

Dr. Nicholas Stergiou
