September 6, 2017

Dear Colleagues,

The past month has been a very busy one, and your comments and suggestions are particularly needed so that the Faculty Senate and I can best represent the interests and concerns of our faculty. Please feel free to contact me at any time (email works best).

Some of the most important meetings and events to report on include Chancellor Gold's announcement of some administrative restructuring at UNO and UNMC, the most recent meeting of the Transition Advisory Council, and the BRT (Budget Response Team) implementations affecting UNO and the NU system. If any Senator would like to access the information presented during AVC for Student Affairs Benjamin-Alvarado's presentation to the Retreat, or has follow up questions related to Chancellor Gold's visit to the Faculty Senate Retreat, please contact Sue Bishop or me.

The key areas of restructuring announced by Chancellor Gold are:

1. A single VC of Business, Finance, and Economic Development shared by UNO and UNMC. According to Gold, this move was driven not purely by budget considerations but primarily by concerns for efficacy and efficiency. This recommendation also came via CFAR, the consulting group that Chancellor Gold hired to assist him with such decisions. CFAR interviewed various representatives of students, staff, and faculty over the summer.
2. A single VC for Student Success shared by UNO and UNMC, including enrollment and student services at both campuses. Current UNO VC Dan Shipp will occupy this position, reporting directly to the Chancellor.

3. UNMC will adopt an academic administrative model more similar to UNO's, where Deans report directly to the SVC (Dele Davies) rather than directly to the Chancellor.
4. External relations (community, government, and alumni) will be combined into one group across UNO and UNMC, to be led by Bob Bartee, though UNO and UNMC will continue to have separate programs in these areas. UNO's University Communications will report to Bartee.
5. Miscellaneous areas under the Chancellor's office, such as compliance auditing, logistics, and so forth will be shared between UNO and UNMC for the aim of greater efficiency.

Chancellor Gold emphasized that all of these restructuring changes are “un-doable” and will be re-evaluated by him at the 6 and 12 month marks. Therefore, UNO faculty who wish to comment on the changes should do so in ample time to be accounted for in these reviews. The Faculty Senate executive committee and I regularly convey faculty opinions and feedback to the Chancellor and other administrators, as we meet with them regularly.

The August 29 Transition Advisory Council meeting focused on the theme of Efficiency. Presentations and discussion emphasized UNO's great value, given the quality of education and employment outcomes produced for a relatively low student cost and debt load. However, challenges faced in achieving that value include a heavy reliance on adjunct faculty, difficulties with scheduling, bottleneck courses, length of time developing new degree programs, and a cultural and political climate in which the value proposition of higher education is disputed. Suggestions for improvement also included reviewing processes for grant seekers (e.g. differentiating processes for large and small grants, offering greater support), focusing on the success of multiple programs across the board (including workforce-essential and unique UNO niche programs), institutional support for faculty research, and leveraging community resources.

The BRT progress at NU is to follow a particular “Program Change Development Model” that proceeds from Program Definition and Design through Program Installation (where we are now, at least in part), Interim Products, Established Products, and Program Efficacy. Faculty who have comments about the BRT implementation may wish to keep this in mind, as the products generated by this budget review are themselves reviewed, measured, and refined. For instance, the UNL Faculty Senate raised questions about changes to the mileage reimbursement rates, and in particular the effects on extension faculty. Some UNO faculty also have raised questions about the economic impacts. What cost savings will be realized ultimately, particularly as behavior changes in response to the policy and the costs of operating fleet vehicles are analyzed? We will continue to follow up on these issues and feedback is welcomed.

UNO has a record-breaking incoming first-year class in Fall 2017. Faculty are to be congratulated for their incredible dedication and outreach that helped to create this success. Going forward, I would like to challenge my colleagues to redouble the effort to keep those students here all the way to graduation. What could each of us be doing – realistically, given our workloads and service - to engage those students and

increase the chances of retaining them next year? Extensive research tells us that the more individual contact students have with faculty, the more likely they are to be retained and graduate. This includes student research, co-curricular activities, and advising. Your engagement with our students is an essential contribution to the value of a UNO education.

UNO representatives on the ad hoc UNO/UNMC Faculty Committee for Communication and Collaboration include: Timi Barone, Dhundy Bastola, Craig Maher, Connie Schaffer, Destynie Sewell, Suzanne Sollars, and Adam Tyma. Please contact them with comments or suggestions relevant to their communications with UNMC faculty representatives. This is a joint faculty-to-faculty committee, reporting back to the respective Faculty Senates.

President Bounds will be the guest speaker at the Faculty Senate’s next meeting on September 13 at 2:00 pm. Bounds met with the Senate last May and with the Executive Committee in August.

Questions about how Scott Campus faculty are to park for events on the Dodge Campus have been raised and will be followed up. Please let us know if Canvas training is meeting your needs and if additional specific offerings in this area would be useful.

Thank you for permitting me to represent you and please contact me whenever issues relevant to Faculty Senate may arise.

Let's have further discussion.  - BJ reiterated that summer pay is not likely to happen, as faculty select a variety of service opportunities. Regarding the three grievance committees, he feels that faculty select this type of service, similar to how faculty choose to serve on thesis committee.  Chancellor Christensen said these type of issues, like summer grievance committee work, seldom occur. He is also apprehensive of anyone who has service in the summer wanting compensation. Some service such as FS President and IRB receive workload compensation.

2. **Treasurer's Report:** Senator Landow (August 2017) (agenda attachment – pg. 13)

**IV. Standing Committee Reports**

**A. Committee on Academic and Curricular Affairs:** Senator Miller (No Meeting/No Report)

**PENDING:**

**1. Student Government Resolution for Timely Feedback from Faculty**

Senator Kealey asked the Senate to address the Student Government Resolution to have all faculty give timely feedback to students.

Suggestions:

Suggestions:

1. A Hot Line for anonymous reported for students to be given a manner to address the issue.
2. This issue can be addressed in course evaluations.
3. This issue can be addressed internally through the review process.
4. Put guidelines on a website.
5. Faculty member's use of learning management systems and adherence to professional expectations.

Senator Elder stated that the Faculty Senate owes Student Government a response and attention to the SG Resolution.

*(Sent to A&CA 4/12/17) (AC&A report 4/26/17 for to discuss)*

- 2. Need for Students to get Timely Feedback:** Committee members ended the **4/26/17 meeting** with a discussion of the need for students to get timely feedback from faculty members. This discussion expanded to also include faculty member's use of learning management systems and adherence to professional expectations. The discussion will be continued at the next committee meeting. It will be included in Pending for the next EC&C meeting.

**B. Committee on Educational Resources & Services: Senator Robins Adidam**

**PENDING:**

- 1. Canvas and UNIZEN dashboard availability.** *The EC&C, on 6/7/17, sent this to the Educational Resources & Services Committee.*

**C. Committee on Faculty Personnel & Welfare: Senator Elder**

The FP&W committee met on Aug 30 at 2pm in DSC 208.

Present: Pauline Brennan, Griff Elder, John Noble

Excused: Tammie Kennedy, Marshall Prisbell, Dale Tiller.

We continued our planning for the year, planning that was begun at the Faculty Senate Retreat.

**For EC&C Only:**

John Noble raised a concern expressed by many faculty whose offices are in H&K (formerly known as HPER). The week before the semester began, Sorority Rush took place in the building. It was very loud, very high energy, and maintenance still hasn't managed to remove all the glitter. For faculty, who were preparing for class, and in some instances, need to video segments for their online classes, the Sorority Rush was very disruptive. It had happened in a previous year. Faculty had been assured that it wouldn't happen again. Yet it did. The question is, "Why can't Sorority Rush take place in MBSC, where faculty wouldn't be disturbed?" Furthermore, "Who is the best person to address this question, since a previous attempt to address it failed."

## **PENDING:**

\* Follow up on status of H1B Visas audit. VC Smith-Howell said she would check on it at the 5/17/17 EC&A meeting.

### **D. Committee on Goals and Directions: Senator Arbelaez**

The Committee met August 30, 2017 at 2:30 p.m. ASH 286

Present: Bradley Bereitschaft, Daniel Hawkins, Chris Kelly, Hamid Sharif-Kashani and Richard Stacy, Maria Arbelaez

The committee reviewed the items, decided at the retreat, we would work during the academic year.

1. One of our G&D members joining the UNO facilities planning committee. We are awaiting word from the committee.
2. Recruitment: We requested a meeting with Omar Correa, Chair of Enrollment. Awaiting for an answer.
3. We requested a meeting with Hank Robinson, director of Institutional Effectiveness. We want to review the data concerning enrollment, retention, and attrition. Awaiting for an answer.
4. We would like to make a proposal to amend current bylaws concerning senators' reelection. Currently, senators will have to sit-out one year to after his/her term ends. That is to ran and if elected, join the senate.
5. In relation to collaboration between UN campuses we have some suggestions for consideration:
  - a. Libraries across campuses. Grant access to all UN libraries for faculty, students, and staff. At present it is a cumbersome process. One library card for all libraries would simplify the process.
  - b. Allow access, across campuses, to scientific implements and programs equipment for faculty, students, and staff.
  - c. Allow access to exercise facilities and programs to all faculty, students, and staff.

## **Pending:**

1. ***Facilities Planning and Faculty Representation*** (Sent to G&D 2/10/16) – As important and continuous decisions are made regarding facilities planning on campus, we would like to see more faculty involvement in these plans, and be allowed frequent opportunities to engage in discussion with administration about facilities planning. The one committee the Faculty Senate is aware of is the University Committee on Facilities Planning, which typically meets once a year. The University Committee on Technology Resources, Services & Planning meets more frequently, but its primary focus is on the technology needs of the campus. In a previous meeting Goals & Directions met with Deb Smith-Howell to address administrative communication and questions about the University's Strategic Plan and the Faculty Senate's part in that process. We discussed the possibility of a more regular liaison with Dr. Smith-Howell with a representative from the F.S. Goals and Directions Committee that could increase the level of communication and information in this area.

2. **Unit Based Recruiting:** (*Sent to G&D 8/17/16*) This item has focused on how individual departments may contribute to the recruitment and retention of students in better pursuit of the University's enrollment goals. Goals and Directions temporarily tabled this item and it will remain on our *Pending* list.
3. The UNO Admin responded to Resolution 4285, 5/10/2017: **Deferred Action for Childhood Arrivals (DACA)** with plans to draft guidelines for faculty. EC&A would appreciate members of the FacSen committee (e.g. Dan Hawkins et al) staying closely in touch with Student Affairs (Dan Shipp, Jonathan Benjamin-Alvarado) and the CFE to review and collaborate. (*Sent to G&D to keep in touch 6/7/17*).
4. **Soliciting Faculty Insights on UNO's Leadership Transition.** (*The EC&C, on 6/7/17, sent this to the Goals & Directions Committee.*)

5. **Mav Creed**

*The following was submitted to the UNO Faculty Senate. Attached below it is the resolution from Student Government, a note that the Staff Advisory Council will also pass a favorable resolution, and the Mav Values Document. The UNO EC&C, on 6/7/2017, forwarded this item to the Goals & Directions Committee for discussion at the August 16, 2017, Retreat.*

*Faculty Senate, Staff Advisory Council, and Student Government:*

*Over the course of about 18 months, a university task force took on the task of creating a document that captures the essence of what it means to be a UNO Maverick. The task force included members appointed by Faculty Senate, Staff Advisory Council, and Student Government. Data was gathered from nearly 900 members of the university community, with special attention given to garnering feedback from individuals in under-represented groups.*

*Six primary themes emerged from the analysis of the data and the task force worked to briefly define each, intentionally weaving in language from the raw data. Those six statements form the core of the Maverick values document. These community standards serve as a foundation for mutual expectations of engaging one another within this university community and with our partners beyond.*

*It is our pleasure to forward the document to you and ask for your formal support of its tenets before we advance it to the Chancellor's Cabinet for final approval.*

*Respectfully Submitted,*

**Student Government Resolution:**

**WHEREAS**, the University of Nebraska at Omaha (UNO) is committed to creating distinctive values that all faculty, staff, administration, and students should follow, and;

**WHEREAS**, beginning in 2015, a taskforce of people from all areas of campus conducted and analyzed survey data, brainstormed ideas, and created a finalized

document featuring the values that all UNO members should engage in and expect from others, and;

**WHEREAS**, two surveys were utilized to determine initial ideas for why students came to UNO, what they like about UNO, and whether they are proud to be a Maverick, and;

**WHEREAS**, there was data collected from close to 900 members of the UNO community, and there was a primary focus on reaching underrepresented individuals, and;

**WHEREAS**, after analyzing the data, the taskforce realized that the UNO community was lacking a creed to clearly define what it meant to be a Maverick and the Maverick experience, and;

**WHEREAS**, through extensive work, the taskforce, with assistance by University Communications and Dr. Dan Shipp, created a Maverick Value document listing the specific values as well as a statement noting that these values must be integrated in order to have an impact.

**THEREFORE BE IT RESOLVED**, that Student Government of the University of Nebraska at Omaha (SG-UNO) supports the Maverick Value document that better defines what it means to be a Maverick and its integration into the University system and communities beyond.

-----  
**Staff Advisory Council:** On April 11, 2017, Staff Advisory Council voted unanimously to pass a resolution in support of the document spelling out what it means to be a UNO Maverick.

-----  
Below is the Mav Values Document:

*We the students, faculty and staff of the University of Nebraska Omaha (UNO) hold the following community values to be the foundation of our identity as Mavericks.*

***As Mavericks, we commit daily to advance and support our community values:***

***Authenticity***

*We stay true to our authentic selves and respect the unique and shared histories of the other members of our community.*

***Integrity***

*We strive to make sure our words are consistently reflected in our actions and treatment of others.*

***Inclusion***

*We are committed to cultivating a campus climate that welcomes and supports people of all cultures, beliefs, identities, and backgrounds.*

***Service***

*We engage in service with others to improve the lives of individuals throughout the Omaha metro area, state and beyond.*

***Resilience***

*We rise above difficult challenges through hard work and courageous determination.*

***Achievement***

*We accomplish our individual and shared goals by reaching high personal and professional levels of excellence.*

*We realize that these values are only words until we integrate them into our individual and shared actions. We commit to advancing these values as Mavericks at UNO, in the greater Omaha community, and beyond.*

(Fall 2016 w/ Senator Grams and Executive Committee) (On 3/1/17, the EC&C had these questions and asked that they be put on the EC&A agenda:

1. Are Faculty, both full time and adjunct, responsible for records retention? *On 6/7/17 President Grams stated that she will be checking with Bret Blackman regarding data security.*

**B. Participation in UNO Faculty Senate** *(Fall 2016 to EC&C Pending)*

Need to encourage and strengthen participation on UNO Faculty Senate.

1. One possibility might be to change the FS Constitution
2. Discussions with Colleges
3. Go to Chairperson mentor(s)?
4. Go to Board of Chairs

***How to Encourage Faculty to Serve on the Faculty Senate:*** Informal data collection by the committee of approximately 40 UNO faculty members has generally revealed that *Service* of this nature tends to be acknowledged with little payoff compared to the perceived time commitment associated with governance. There is also a great deal of

misinformation about the time obligations; nevertheless, most of the faculty we talked to showed little interest in this service even after we answered questions. The Goals and Directions Committee is now discussing ways to help the departments incentivize Faculty Senate and other University service opportunities by increasing by better recognizing the value of this service in ways such as higher Merit rankings on Annual Review, etc. (*The EC&C asked, on 6/7/17, that this be discussed at the 8/16/17 FS Retreat.*)

**C. Telecommunications** *At the 6/7/17 EC&C meeting President Grams said she will consult with Bret Blackman concerning the recent reorganization in Telecommunication.*

**D. Change Start Time of UNO Faculty Senate Meetings?**

On 6/7/17 the EC&C suggested this be discussed at the 8/16/17 FS Retreat.

At the 8/16/17 Faculty Senate Retreat there was brief consideration of potential benefits and drawbacks to convening Faculty Senate meetings 15 or 30 minutes later. The matter was left to the Executive Committee to gather relevant data from Institutional Effectiveness, and report back.
