A. President's Report:

1. Letter to All UNO Faculty: Sent April 26, 2018

Dear Faculty Colleagues,

I would like to invite you to take a short opinion survey that will help inform end-of-year recommendations and future planning for the Faculty Senate. Please follow the link to the survey here: <https://goo.gl/forms/eFgGvbTpWCiRFWXB2>

Today (4/26/18) representatives of the Faculty Senate executive committee met with Chancellor Gold, along with faculty, staff, and student reps from both UNO and UNMC, to hear further explanation of the budget cut for 18-19 that he intends to deliver to President Bounds this week. We were given an overall picture of how cuts are being implemented at UNO and UNMC, but not the granular detail of effects on specific programs. Rather, that information is being shared through the Colleges during this week, according to a detailed communications plan.

The Senate Executive Committee and Cabinet will meet next week, May 2, followed by the last full Senate meeting of the 17-18 academic year on May 9. Forthcoming information about budget cuts will be reviewed at that time. The executive committee also met last week with UNO's administrative leadership and discussed a number of issues, including support for faculty research and plans for facilities development (following the announcement at last Tuesday's Town Hall with the Chancellor).

Please remember that 4/28 is the DEADLINE for submitting comments on UNO's newly proposed Facilities Use Plan and policy language (agenda attachment – pgs 1-22), which impacts freedom of expression issues, availability of different campus spaces to the public, and other topics. Please see the details at <https://www.unomaha.edu/news/2018/02/regulations-on-the-use-of-university-facilities-and-grounds.php>. You may send your comments directly to Paul Landow or Drew Nielsen, or I will anonymize, collate, and submit as a whole any comments sent to me by tomorrow afternoon.

Some important updates on dual factor authentication: we are still in the “soft roll-out” period during which faculty are not being required to use this method, but eventually, we will be. If you wish to begin now or over the summer, please be aware that all the logins for university systems you access will be affected (e.g. email, Canvas, Firefly, Mavlink, etc.), so you will need to be able to use the authentication method you select, whether you access those systems in the office, in a classroom, in meetings, at home, on your phone, on someone else’s equipment, and so on. If you do not wish to use your personal cell phone for this purpose, an alternative is available: a key fob that can be put on your keychain. If you wish to order one of these devices, please fill out the request form at: <https://www.unomaha.edu/information-technology-services/information-security/duo/uno-duo.php>. Please be advised that if demand for the key fob option is high, it may take time to restock the supply and catch up with orders. Faculty may wonder why we must do this or whether the security concerns are serious enough to justify it. We were offered various real-life examples to explain the need, including NU faculty whose accounts were hacked during ordinary classroom computer use and then used in a significant financial fraud attempt.

Finally, please make ready to transfer to Canvas if you have not done so already, and rescue any materials you may still have on Blackboard, which will no longer be available after June. Not only will all courses be on Canvas, but none of the Blackboard materials will remain! Help is ready for you and, if needed, an expert will sit down with you in person to ensure that your courses are set up and files are transferred. Please see this page for a list of options: <https://www.unomaha.edu/news/2018/04/reminder-to-transition-to-canvas.php>

Thank you and as ever, please feel free to send your comments, suggestions, and concerns to your Senate rep or to me directly.

2. **Memo from President Grams to Chancellor Gold; SVC Reed** (agenda attachment – pgs. 23-24)

B. Secretary/Treasurer Report: Senator Landow reported

1. **EC&A: April 18, 2018**

President Grams comments:

Facilities Use Plan comment period is still open and Faculty Senate is gathering information from faculty. Once the period ends materials will be turned over to the administration for review.

Resolution 4328 – President Grams reported on the progress of the Resolution.

Dean’s Survey -- President Grams discussed the Dean’s survey regarding faculty development fellowships. SVC Reed and Chancellor Gold indicated that the process could be better and suggested several possible changes. SVC Reed suggested that he and VC Smith-Howell work on it and asked that President Grams also provide suggestions. She also indicated that she wants to continue the

conversation and will work with administration on next steps. Chancellor Gold said that the ball is in the court of the Faculty Senate.

VC Smith-Howell comments:

Progress has been made on summer compensation for faculty on grievance committees. Once finished, results will be given to Faculty Senate leadership.

Senior VC Reed comments:

Resolution 4327S – FUSE/GRACA Advisory Committee.

SVC Reed lead a discussion of FUSE, funding and determining which proposals merit funding.

Chancellor Gold comments:

The smaller building on the Scott Campus, FDR 1, is owned by the NU Foundation. There was no specific plan for the building, except that NARI was going to lease 9000 square feet. Additionally, the cost of purchase and maintenance was going to be very high. Meanwhile, Monroe-Meyer (MMI) was looking for a new home.

Alwine and Durham need to be renovated, and their needs are huge. The hope is that we can use the \$10 million from the state for the renovation of FDR 1, plus get a match from the philanthropic community, and use the money to renovate the two UNO buildings. And at the same time we can allow MMI to move into FDR 1, using state and private funds.

Meeting adjourned at 3:53.

2. Treasurer's Report: Senator Landow (April 2018) (agenda attachment – pg. 25)

IV. Standing Committee Reports

A. Committee on Academic and Curricular Affairs: Senator Miller

The Committee met April 25, 2018 at 2:00 p.m. in Criss Library – Room 307.
Present: Connie Schaffer, Stan Wileman, Burch Kealey, Kelly MacArthur, Craig Maher and Holly Miller

There were three agenda items for this meeting. During the committee's March meeting we discussed the Early College High School program which is being offered at Millard South High School and so that continued discussion was the first item on the April 27, 2018 agenda.

The first group of students will be graduating from this program in the spring of 2018 with an Associate Degree. This program was developed and accredited by Metropolitan Community College and with the existing articulation agreement with MCC, those student credit hours are accepted at UNO. A&CA committee members want assurance that the college courses offered by this high school program provide

the necessary foundation for students to succeed in upper level college courses. Senator MacArthur stated that we need data measuring student success, to guide further review of this program.

If these students select to continue their education at UNO, it seems like an opportune time to create a method to track their academic success in upper level classes. Since all students are required to take three English classes, this might be a class to track. Composition one and two are general education requirements and are completed as part of an Associate Degree, but the third English class (which is discipline specific) would be taken at UNO. Another option might be to track student success in upper level math classes.

Senator Miller reported that she spoke with Matt Tracy, Director of General Education and Dual Enrollment, to strategize a way to track student success. It is suggested a member of the A&CA committee contact Hank Robinson, Director of the Office of Institutional Effectiveness, in the fall to discuss the feasibility of a study to track these students' success. Matt also offered his ongoing support and agreed to help as needed with this endeavor.

Pat Smith from the English department at MCC reached out to Senator Miller asking about UNO's interest in Millard's Early College High School program. She said that her colleagues in the English department at MCC might be very interested in data on graduates from this program. Pat said it is likely that MCC would participate in a joint study tracking students who graduated from the Early College High School program and then continue their education at UNO or MCC.

In the fall the committee will (1) determine if Millard Public Schools is currently tracking students in this program; (2) research if tracking has any implications on our current articulation agreement; (3) proceed with the goal of determining if students graduating from the Early College High School program have the educational foundation to succeed at in upper level courses at UNO.

The second item on the agenda was the Student Success Recommendations document that the A&CA committee was asked to review in March. Our recommendations were sent to Dr. Candice Batton, Assistant Vice Chancellor of Academic Affairs, last month and she acknowledged receiving the document. At this time, it has not been determined how Student Government will use the document.

The third item on the agenda was the selection of a new committee chair for the 2018-2019 academic year. Senator Miller listed the duties and responsibilities linked to that position and reminded all present that a new chair will need to be selected when the committee caucuses during the May 9 Faculty Senate meeting.

Committee members discussed five topics in the *for-the-good-of-the-order* portion of the meeting.

Committee members were thanked for their service during the 2017-2018 academic year.

The meeting adjourned at 3: 07 p.m.

PENDING:

1. Early College High School: (*EC&C sent to A&CA 2/7/18*)

FYI: E-mail received 2/5/18 from Senator Adams:

At Friday's English Department meeting, as we discussed Dual Enrollment and other issues, a new program in the Millard School District dominated much of our discussion and members of the department asked me to take this issue to Faculty Senate. In short, our department has concerns about the various impacts of a program called Early College High School

<http://mshs.mpsomaha.org/academics/early-college-high-school> The program says high school students can earn an Associate degree from Metro and that those credits will fulfill the general education requirements at UNO. Members of my department are concerned about how this might threaten enrollments at UNO and about the quality of such a program (it seems, for example, that a 10th grade English course could satisfy the English 1150 writing requirement at UNO). I would like to put this on the EC&C agenda as a point of discussion to determine if faculty in colleges beyond Arts and Sciences are also concerned about such a program.

2. Length of Time for Finals: (*Faculty Senate send to A&CA 4/11/18*)

It seems there is nothing documenting the length of time for Final Exams. Is the length of time listed anywhere, and, if so, how to make it easier to find? If not, how can this be fixed? Can the Registrar publish this somewhere?

B. Committee on Educational Resources & Services: Senator Robins

PENDING:

~~**1. Request for Travel Authorization and Purchase of Travel.** 10/2017: Senator Robins briefly reported on having located the source of the document used by UNO titled "Request for Travel Authorization and Purchase of Travel." At a future meeting we will discuss suggestions for additions to this document to assist faculty in identifying the need for and for purchasing travel insurance. (This item was removed 4/11/18 by the Faculty Senate.)~~

2. Canvas: When the transition away from Blackboard enter the final days during summer 2018, new issues could emerge as more faculty seek technical assistance. (*EC&C to ER&S 3/7/18*)

3. Payroll Deduction for Paul Beck Scholarship (*2/7/18*) (*3/7/18*): a response from Debra Wilcox (UNO Controllers Office) regarding the possibility that faculty could submit a payroll deduction that would serve as a monthly gift to the Beck scholarship fund. Senator Davidson has agreed to follow-up.

4. Accessibility to Classroom IT Equipment (*3/7/18*): EC&C sent this item was to the ER&S Committee.

C. Committee on Faculty Personnel & Welfare: Senator Elder

The Committee met April 25, 2018, in H&K 205.

Present: John Noble, Amber Rogers, Griff Elder
Absent: Pauline Brennan, Dale Tiller, Marshall Prisbell
Guest: Joe Kaminski

The Faculty Personnel & Welfare Committee has been, for a number of years, interested in developing a program that would encourage more faculty and staff to make use of the Wellness Center by reducing the membership fee.

Background:

In 2014, the Faculty Senate produced a survey of Full-Time UNO Faculty. Tied at #7 with *Balance Among Teaching, Research and Service* among the Top 10 Faculty Ranked Concerns was the issue of the cost of using the Wellness Center.

In the Fall of 2015, the Faculty Personnel & Welfare Committee decided that, in comparison with the difficulties involved in meaningfully addressing *Balance Among Teaching, Research and Service*, the cost of the Wellness Center was low hanging fruit.

We then met with Joe Kaminski in Fall 2015 and learned two things:

(1) There is no way that the Wellness Center will unilaterally cut the cost of membership. There is a bond that needs to be slowly paid down. Furthermore, students pay this membership fee through a student fee. So from the Wellness Center's perspective, it is only fair that Faculty/Staff pay the full \$450 per year to use the facility. Note that since the fee was raised from \$90 per year to \$450 per year, it hasn't been raised further to keep up with inflation. Thus eventually the Wellness Center at \$450 per year will be a bargain.

(2) More profitably, we learned that University of Iowa has a Wellness reimbursement program funded by Blue Cross Blue Shield that partially refunds faculty their membership for gym usage. FP&W decided to pursue something similar at UNO. Unfortunately, there are differences: While Iowa's program is funded by Blue Cross Blue Shield, NU is self-insured with BCBS only administering the insurance program. Thus while BCBS sees the benefit in such a program, we can't work with them to achieve one at UNO. We need to work at NU.

In the Spring of 2016, FP&W discussed the topic with the Staff Advisory Committee, and Michael Perdunn, SAC President, picked up the initiative. One problem in making a case for such a reimbursement program, which we discovered, is that UNO doesn't have access to its own healthcare data.

In May 2016, a proposal was shared with Bill Conley. The idea was that we would hire a consulting firm to put together a plan for UNO that would include some reimbursement for the Wellness Center.

Although, the adhoc committee led by Michael Perdunn interviewed some firms, financial considerations prevented this plan from going ahead, and the initiative ran out of gas.

In Spring 2017, Griff Elder learned from Cecil Hicks that we now had access to our healthcare data. The time seemed therefore ripe to restart our efforts, and use that data to determine whether there might be healthcare savings associated with greater

Wellness Center usage by Faculty and Staff. Late Spring 2017, at a EC&A meeting, this issue was brought up. Dan Shipp was present, and embraced the initiative.

Current Version of Initiative:

All this year, Dan has been leading an initiative to conduct a pilot that would reimburse faculty/staff for Wellness Center usage (reimburse \$100 of the \$150 per semester fee). A focus group was held in the Fall to discuss requirements needed for reimbursement. Current version of requirements are: (1) Wellness Center usage 4 times a month. (2) Complete Health Risk Assessment. (3) Either some sort of volunteering, or some sort of donation (details to be determined).

All this is background for the April 25's meeting. Dan Shipp had another obligation and was not able to be present.

Joe Kaminski provided us with an update on the status of the initiative:

The program has a name, the *UNO Thrive Wellness Program*, the Chancellor is supportive, but the issue is being considered in Varner Hall. A legal determination is needed to know whether this will be considered a "program" or a "benefit". We understand that *if* it is legally a "benefit", then any such program would have to be rolled out system-wide. **If** it is only a "program", then it should be possible to roll it out as a pilot program at UNO in Fall of 2018. A decision from Varner Hall is expected in mid-May.

PENDING:

- 1. Wellness Fees.** *10/2017:* On Mon Sept 18, there was an initial faculty/staff wellness-based incentive program meeting in EAB 202 organized by Dan Shipp. Attending: Dan Shipp, Cathy Pettid, Joe Kaminski, Jeanne Surface, Griff Elder, Cecil Hicks, Carol Kirchner, and Esther Scarpello.

The group met to discuss how UNO could develop and pilot a wellness-based incentive program for faculty/staff. The wellness program needs still to be worked out—both programmatically and financially. But roughly, the idea is that, UNO would offer a pilot program that would partially reimburse the cost of a Wellness/H&K membership based upon member usage and participation in specific wellness program elements. Tentatively, the financial incentive might be as much as a \$100 reimbursement of the \$150 per semester Wellness/H&K membership fee. Details have to still be worked out. The working goal is to offer this pilot program starting in January (but if not January, then the following August-2018).

The working group plans to meet every two weeks. The first meeting will discuss the requirements for reimbursement.

I have been asked to put together a Faculty Senate Focus Group that this working group can consult.

- 2. Summer Compensation for Grievance Committees.** *10/2017 cont.:*
RESOLUTION 4279, 12/14/16: Grievance Committees Summer Compensation

While most of us are on 9 month contracts, many uncompensated service obligations require summer participation. Members on the committee have their own anecdotal accounts of what we perceive to be a trend. We are hoping to

discuss this topic with the AAUP, so that we can begin to connect some of the dots. We have contacted AAUP. The topic is on their agenda for Friday October 6, 2017.

EC&C 3/7/18: We have been asked to look at the policies and procedures for the 3 committees to see if appropriate language could be added to minimize the necessity of these committees meeting during the summer. John Noble has agreed to produce a first draft response.

Administrations proposal is that 9 month faculty committee members will be compensated up to \$500.00 per day (minimum of 1/2 day) when their committee is required to meet. The sense of the committee was that the compensation what fair. Still, we asked that the rationale be written down and shared with us.

We have been asked to contact the AAUP, particularly Mike Peterson, to make sure that the solution that we are crafting is in line with the AAUP contract.

3. Visa Issues: Are they consistent college to college.

(1/10/18: Put on EC&A agenda.)

4. Faculty/Staff Safety Processes. 10/2017 cont.: Dr. Gina Toman has been named Faculty Human Resources Officer and Assistant to the Senior Vice Chancellor. She begins her new role on October 11.

We are interested in the administration developing a website similar to the Student Safety Website.

Note: We felt that the following site makes a good model:
<http://academicpersonnel.unc.edu/faculty-policies-procedures-guidelines/>

We expect Gina Toman will be help us address the request that there be a flow-chart that will help faculty understand and negotiate the many resources that are available: Ombudsperson, EAP person, counseling, BRT, etc. What information is confidential, etc. This “flowchart” may manifest itself in the form of the website mentioned above.

(3/4/18 Info: Academic Affairs is doing a big website development.)

5. Server for Personal Web Pages

Senator Elder reported that last year all faculty across campus lost the server, along with the opportunity to have their own personal web sites, like Math. The Web site may have not been pretty, but it was spot on for other mathematicians to check. Senator Zhong said it now looks odd. Senator Kennedy said we all need support to get the server back for supporting personal web sites. Anything without branding is gone.

(On 12/13/17 this issue was given to the FP&W Committee.)

(3/4/18: EC&C suggested putting this item on the EC&A agenda. UNL has cloud hosting services.)

6. Air Handler for Sculpture Lab

(On 4/11/18 Senator Stacy reported the air handler for the Sculpture Lab is dangerously outdated. The full Senate moved to send it to the FP&W Committee to look into how it can be updated or replaced, or who to keep in contact with.)

D. Committee on Goals and Directions: Senator Arbelaez (No Meeting/No Report)

Pending:

- 1. Facilities Planning and Faculty Representation** (Specifically, which Facilities Planning Committee would be the best on which to have faculty representation before plans are made, not just reported?) (*Sent to G&D 2/10/16*) (*3/4/18 Info: Senator Bereitschaft is checking on this.*)

E. Professional Development: Senator Adams

The Committee met April 25. Senators Adams, Nordman, Cast-Brede, Feng, Boron, and Winter were present.

The Committee discussed the upcoming election of a new chair and vice chair. Senator Adams asked for notes regarding anything members want highlighted in the year-end report, which is due soon.

The Committee then discussed the notes regarding the FDF Dean's Survey from the April EC&A meeting. Though those notes are not very detailed, and the PD Committee hopes for more detail at the upcoming EC&C meeting, we thought through what the committee might focus on to create suggestions for the administration and to respond to the Chancellor's acknowledgement that the ball is in our court on this issue. The committee identified three paths for our work in the fall:

1. Develop a template rubric/criteria that each college could use a starting point for distinguishing how FDF applications are ranked
2. Identify a consistent location where FDF application processes and the criteria should be located across colleges
3. Invite SVC Reed and/or Deans to PD Committee meetings to help vet the criteria and location.

PENDING:

- 1. Faculty Professional Development Leave policies/procedures:**
(*1/10/18: The PD committee is waiting for deans to complete a survey to actually gauge faculty's understanding of FPD leave policies and procedures.*)
- 2. Creation of an Easily Found List of What Retiring Faculty Need to Know**
(*4/11/18: Sent to PD Committee.*)

F. Committee on Rules: Senator Nash

The Rules Committee met at the Criss Library on April 25, 2018.

Present: Jeremy Johnson, Bob Nash, Kathy Peterson, Troy Romero, Wei Rowe.

Absent: Paul Landow (excused).
