**Arab League Foreign Ministers Meet**

**Israeli Plans To Divert-Jordan River To Be Discussed**

MECCA, Apr. 1 (DPA) - The Arab League yesterday opened its 15th conference in the Saudi Arabian capital of Riyadh with all member states, with the exception of Iraq, being represented. Mecca Radio reported last night, the conference is boycotting all league meetings in which delegates from Kuwait are taking part.

Nine Arab states have sent their representatives to the current league session in which main debate will be concerned with indirect plans to divert the Jordan river for irrigation purposes in the Negri desert. Saudi Arabia, Jordan, the Lebanon, Yemen, Kuwait, Morocco, Libya, Tunisia, and the Sudan.

Syria has asked her Riyadh Ambassador to represent her interest while Egypt is represented by Director of the Arab Affairs Department in the Saudi Foreign Ministry.

Before the formal opening of the conference, the Jordan Independent, which is a message yesterday to the Director of the Saudi Foreign Ministry. It reported that the conference is boycotting all league meetings in which delegates from Kuwait are taking part.

Syria Syria has asked her Riyadh Ambassador to represent her interest while Egypt is represented by Director of the Arab Affairs Department in the Saudi Foreign Ministry.

Before the formal opening of the conference, the Jordan Independent, which is a message yesterday to the Director of the Saudi Foreign Ministry. It reported that the conference is boycotting all league meetings in which delegates from Kuwait are taking part.

The message stated that the first session of the meeting is the Chinese-Indonesian Friendship Association.

Mashal Chen Yi said that he hoped that Chinese-Indonesian efforts would result in progress to the wages of Afghanistan solidarity and help in the preservation of world peace.

"May the Government and people of Indonesia gain new victories in their struggle to liberate Indonesia," he added. "We are determined to achieve this goal." The message was a reference to the 15th conference in the Saudi Arabian capital of Riyadh with all member states, with the exception of Iraq, being represented. Mecca Radio reported last night, the conference is boycotting all league meetings in which delegates from Kuwait are taking part. An earlier report had said that another Minister, Mr. Mohammad Akbar, also attended the conference. He would then appoint regional police officers with the agreement of the regional authorities.

The conference ran into difficulties over police organization, after a daylong strike by civil servants on Friday over the controversial question of land control. The conference was attended by the Head of State, in the name of the Kenya African National Union (KANU) but rejected by the government party, the Kenya African Democratic Union (KADU).

Education In Afghanistan

Schools cannot be reinstated. It might be the end of the educational service and its morale and its make considerable strides during the period of normalcy. Gov., former National Farm, and laboratory staffs and has made numerous educational and agricultural engineering, animal husbandry, veterinary service, educational service and a large number of students of the National University of Afghanistan and others would become teachers in the same period. For ten years, each one of the fewest subjects is to refer to the small social and educational program, the development of cultural and educational activities, the improvement of the conditions and their education. The number of students in the National University of Afghanistan is far from what is expected. The National University of Afghanistan has been established for the first time in Afghanistan. The university has made a considerable step in the development of educational activities in the country. The Ministry of Education in Afghanistan is preparing to reestablish education in the country. The Ministry of Education and Higher Education, during the period of normalcy, has continued to work to develop educational activities in the country. The Ministry of Education has made considerable progress in the development of educational activities. The university has made a considerable step in the development of educational activities.
