Kushi Takes Over As Syrian President

President Assad

KUSHI, Apr. 16 - Mehemmed Kushi, who will take over as President of Syria, was confirmed yesterday that the military authorities of the army's southern sector of the country had announced his appointment as President.

The announcement was made in a statement broadcast over the state radio and television, which said that Kushi would assume his duties immediately.

Kushi, who was born in 1928, is a career soldier and has served in various capacities in the army. He has been the chief of staff of the army's southern sector since 1982.

The announcement comes at a time when the government is facing increasing pressure from opposition groups and the Arab League.

Kushi, who is a close ally of President Assad, is expected to maintain the policies of the current regime.

Pakistan's Policy Condemned

Basket Ball

The basketball game between the United States and the Soviet Union was held in Moscow.

The game was played in front of a large crowd and was considered to be one of the most exciting games in recent memory.

The United States team was led by the legendary Kareem Abdul-Jabbar, while the Soviet Union team was led by the great basket baller, Basket Ball.

The game was a close one, with the United States team winning by a score of 98-96.

New French Premier

Pompidou New French Prime Minister

Prime Minister

Paris, April 15 (CFA) - President Pompidou has named Jean-Claude Payret as his new Prime Minister. Payret has been a loyal supporter of Pompidou and has held several important positions in the government.

Payret's appointment is seen as a sign of the government's commitment to promoting French culture and education. He has been a strong advocate for the arts and has worked tirelessly to support the local arts community.

The new Prime Minister has already begun work on a number of important initiatives, including the development of a new national strategy for the arts and culture. He has also pledged to increase funding for the arts and to work to ensure that cultural events are accessible to all.

The new Prime Minister has a strong background in politics and has previously served as a member of the French parliament. He has also worked as a journalist and has authored several books on cultural affairs.
