Non-Aligned Nations' Role As Mediators In Big-Power Disputes

The Cuban wire has just been received by the media in the Non-Aligned Nations and in other major powers, calling for the immediate and unconditional withdrawal of all foreign military forces from the Cuban island. The United Nations are currently discussing the situation and are expected to issue a statement soon.

In The Land Of Zimbabwe

European farmers usually own all the land themselves, but in the Zimbabwean countryside there are many instances of communal land ownership. In some cases, European farmers are allowed to graze their livestock on communal land, while in others, they are not. This puts pressure on the farmers to find alternative sources of income. The situation is further complicated by the fact that many of the communal areas are not easily accessible to European farmers due to the topography of the land.

Building And Maintenance Of Roads In Afghanistan

The Ministry of Public Works of Afghanistan has launched a new project called "roads for a better future". The project aims to construct roads in remote areas of the country, improving connectivity and economic development. The project is expected to be completed in the next five years.

Shiraz Times

The recent floods in Shiraz have caused significant damage to infrastructure and agriculture. The local government is working with the National Disaster Management Authority to provide assistance to affected communities. The situation is expected to improve in the coming weeks.

Kabul Times

The Afghan government has announced plans to increase the budget for education and healthcare in the next fiscal year. The government hopes that these investments will help improve the quality of life for Afghan citizens. The budget proposals are expected to be discussed in the upcoming parliament session.

Radio Kabul Programme

The government has decided to increase the broadcast time of Radio Kabul by 30 minutes per day. The additional time will be dedicated to local news and features. The increase is expected to improve the reach and impact of the radio station.

Soviet Mars Shot Out Of Course

The Soviet space program has launched a new mission to Mars. The spacecraft, named "Phobos-2", is expected to reach the red planet in the next few weeks. The mission is part of the longer-term goal of establishing a human presence on Mars. The launch comes as part of the international effort to explore our neighboring planet.
China Ready For Peaceful Solution Of Border Issue

In the present situation the main thing is that both sides should start on a peaceful basis the question of the border, which has been the cause of misunderstanding between the Chinese and the Indian peoples. It is advisable to begin with the premise that both sides desire peace and, without antagonizing any one, to approach the question in a friendly manner.

In this spirit, the Chinese and Indian leaders should have a meeting to discuss the border question. To this effect, the Chinese government has been invited to India to participate in talks on the border. It is hoped that the talks will be held in a friendly and constructive atmosphere.

China's Belief In Red Cross

The Chinese government has expressed its belief in the Red Cross and its principles, which it holds to be a symbol of humanity and international cooperation. The Chinese government has also been in contact with the Red Cross organizations in various countries to discuss the possibility of establishing a Red Cross society in China.

BEN BELLA ACCEPTS CHOI'S INVITATION

Ben Bella, President of Algeria, has accepted the invitation of Chao Hsien, the Chinese Communist Party, to visit China. The visit is expected to strengthen the friendly relations between the two countries.

FIVE KILLED IN AIR CRASHES

Three people were killed in a plane crash in India and two others were injured. The cause of the crash is under investigation. The plane was en route to Mumbai from Kolkata.
