**THE LANGUAGE PRESS**

**AT A GLANCE**

The new taxes of the 1972 U.N. budget will add a burden to the governments of the world, but it is expected that they will yield a substantial sum for the U.N. budget. The U.N. will use the funds to support its various programs, including relief and development projects in developing countries.

**OPEN PROGRAMME**

In the report to the U.N. General Assembly, the Secretary-General said that the U.N. budget for 1972 is expected to be about $3 billion. The Secretary-General also said that the U.N. has made significant progress in its efforts to improve the living conditions of the world's poor.

**THE DANGER OF THE MUSLIM WORLD**

The danger of the Muslim world is increasing, and the U.N. must take steps to prevent it. The Secretary-General said that the U.N. must work to prevent the spread of Islamic fundamentalism, which is a threat to peace and stability.

**THE THREAT OF THE NUCLEAR ARMS**

The threat of nuclear arms is also increasing, and the U.N. must take steps to prevent it. The Secretary-General said that the U.N. must work to prevent the spread of nuclear weapons, which is a threat to peace and stability.

**THE ECONOMIC PROBLEMS OF THE DEVELOPING COUNTRIES**

The economic problems of the developing countries are also increasing, and the U.N. must take steps to prevent it. The Secretary-General said that the U.N. must work to promote economic development in the developing countries, which is a threat to peace and stability.

**THE THREAT OF THE ENVIRONMENT**

The threat of the environment is also increasing, and the U.N. must take steps to prevent it. The Secretary-General said that the U.N. must work to protect the environment, which is a threat to peace and stability.
Indian Troops Repulse Four Attacks

HEAVY CASUALTIES ON BATTU

NEW DELHI, Nov. 16 (Bureau).—Indian troops repulsed four determined attacks on Indian posts near Battu, about 12 miles south of the border. The attacks, which were carried out by heavy mortar fire, were directed against two posts about 1 mile apart. The Indian troops had to repel about 700 attacks on Battu in the last 10 days. The fighting is continuing.
