PAKISTANI COLONIALIST POLICY CONdemned

KABUL, Jan. 21—A report from Peshawar in central Pakistan, the birthplace of the famous leader and Islamic political figure, Abdul Ahad Khan, as has been confirmed by a number of leading Islamic and political figures, has revealed that the Pakistani government is planning to implement a new policy to curb Islamic movements and political parties in the country.

Move To Settle U.S. Dock Strike

NEW YORK, Jan. 20—A settlement of the U.S. dock strike was reported today, as the strike entered its fourth week and all was going well.

SHIPPING COMPANIES ACCEPT PROPOSALS

New York shipping companies today accepted a proposal offered by the U.S. government to end the dock strike. The decision to accept the proposal is believed to have been influenced by the high cost of the strike to the shipping industry.

General Motors, the leading automobile manufacturer, has been negotiating with the dock workers for a new contract.

Kabul News Brief

KABUL, Jan. 20—Several Chinese companies have been awarded contracts to build a new railway line in Afghanistan. The project is expected to boost the country's economy.

Round-the-World Trip

For Gilchrist

WASHINGTON, Jan. 20—Gilchrist, the U.S. ambassador to Afghanistan, has begun a round-the-world trip to promote diplomatic relations.

The trip will take him to various countries, including China, Japan, and India.

ODITO AND KAWARA IN LONDON

LONDON, Jan. 20—ODITO and Kawara are expected to meet with officials from the British government to discuss trade agreements.

CABINET MEETING

KABUL, Jan. 20—The Afghan cabinet meeting yesterday was attended by numerous officials from different departments.

THANK YOU VISIT

NEW YORK, Jan. 20—The U.S. Secretary of State, Bob Carr, visited Kabul yesterday to express his gratitude to the Afghan people for their hospitality.

INDIAN EMBASSY TOWARDS

NEW DELHI, Jan. 20—The Indian embassy in Kabul is expected to open soon, as the Indian government is determined to strengthen diplomatic relations with Afghanistan.

EUROPE'S BITTER COLD WAVE HAVOC

LONDON, Jan. 20—The bitter cold wave has caused widespread damage in Europe.

The cold wave has led to power outages, frozen pipelines, and widespread freezing of roads and railroads.

Text of Franco-German Co-operation Treaty

The following is the text of the Agreement signed in Paris between the French and German Governments on January 26, 1960, on agricultural and rural co-operation. The following is the text of the Agreement signed in Paris between the French and German Governments on January 26, 1960, on agricultural and rural co-operation.

I. Organisation

1. Organization

2. The French Government will send the representatives of the Federal Republic of Germany to the meetings of the Commission, which will be held in Paris. The Commission shall make periodic reports to the Governments of both countries and may be called upon to meet whenever the Governments of either country consider it necessary.

3. The Commission shall adopt a programme of action and make periodic reports to the Governments of both countries. The programme of action shall be based on the recommendations of the Joint Commission for Agricultural and Rural Development.

II. Cooperation

1. The programme of action adopted by the Commission shall be implemented by the Governments of both countries. The programme shall be implemented in accordance with the wishes of the governments of both countries.

2. The programme of action shall be implemented by the Governments of both countries. The programme shall be implemented in accordance with the wishes of the governments of both countries.

3. The programme of action shall be implemented by the Governments of both countries. The programme shall be implemented in accordance with the wishes of the governments of both countries.

III. Financing

1. The financing of the programme of action shall be provided by the Governments of both countries. The financing shall be provided in accordance with the wishes of the governments of both countries.

2. The financing of the programme of action shall be provided by the Governments of both countries. The financing shall be provided in accordance with the wishes of the governments of both countries.

3. The financing of the programme of action shall be provided by the Governments of both countries. The financing shall be provided in accordance with the wishes of the governments of both countries.

IV. Disputes

1. In case of any dispute arising out of the implementation of the programme of action, the Governments of both countries shall consult with each other and attempt to resolve the dispute. In case of failure to resolve the dispute, the Governments of both countries shall submit the matter to the International Court of Justice for arbitration.

2. In case of any dispute arising out of the implementation of the programme of action, the Governments of both countries shall consult with each other and attempt to resolve the dispute. In case of failure to resolve the dispute, the Governments of both countries shall submit the matter to the International Court of Justice for arbitration.

3. In case of any dispute arising out of the implementation of the programme of action, the Governments of both countries shall consult with each other and attempt to resolve the dispute. In case of failure to resolve the dispute, the Governments of both countries shall submit the matter to the International Court of Justice for arbitration.

V. Amendment

1. The programme of action may be amended at any time by mutual agreement of the Governments of both countries.

2. The programme of action may be amended at any time by mutual agreement of the Governments of both countries.

3. The programme of action may be amended at any time by mutual agreement of the Governments of both countries.

The present Agreement shall come into force on the date of its signature and shall remain in force for a period of five years. This period may be renewed for a further period of five years at the request of either government.

KENNEDY SUSPENDS UNDERGROUND NUCLEAR TESTS

WASHINGTON, Jan. 27 (UPI)—President Kennedy has suspended underground nuclear tests without conditions effective today at 5 P.M. EST.

Kennedy’s announcement came in a statement delivered at 12:17 P.M. EST from a microphone in the Oval Office of the White House. The statement was broadcast on network radio and television.

Kennedy said the suspension was effective immediately and would remain in force until the expiry of the current test ban treaty on August 5.

Kennedy’s action was met with widespread approval by countries around the world.

The move is expected to increase the chances of a successful conclusion to the current round of nuclear arms negotiations.

Kennedy’s announcement was the result of private talks with other world leaders and came after a meeting with his Cabinet.
