More Soviet Aid Promised To India

KENYA, Dec. 4 (AP)—A sharp increase in the number of Kabul job opportunities is expected by the Ministry of Mines and Industrial National Registration Service, according to a report received from the office.

At the end of the month, the Kabul Employment Service plans to conduct a survey to determine the number of job openings in industries and construction sites.

Nevruz M. Allah, a reporter for the Soviet Embassy, said that the survey will help determine the number of job openings in industries and construction sites.

Kenya is earning a substantial portion of its national income from the mining sector. The government plans to increase the mining sector's contribution to the national economy in the coming years.

SYRIA

SCIENCE FACULTY

The University of London has decided to establish a Science Faculty to cater for the increasing demand for science education in the country.

The decision was made at a meeting of the university's council, which was attended by representatives of various government departments and educational institutions.

The Science Faculty will offer undergraduate and postgraduate courses in various branches of science, including physics, chemistry, biology, and mathematics.

AFGHANISTAN AND ROBOTS

The Afghan government is considering the use of robots in various sectors, including agriculture, industry, and construction, to reduce labor costs and increase productivity.

The Afghan National Science and Technology Council has formed a committee to study the feasibility of using robots in various industries. The committee will present its report to the government within the next six months.

BUNCHE PLEDGES U.N. SUPPORT FOR YEMEN AGAINST AGGRESSION

HANANDEL, Dec. 4 (AP)—Dr. Rashid Bokhary, director general of the United Nations Al-Qaeda Mission, has pledged the United Nations' support in the event of an aggression against Yemen.

Dr. Bokhary, U.N. Under-Secretary-General for Special Political Affairs, has met with members of the Yemeni government to discuss the situation in the aftermath of the recent border incidents.

Dr. Bokhary said that the United Nations would work closely with the Yemeni government to ensure that any aggression against Yemen is adequately addressed.

Afghan Surgeon Performs Cardiac Operation

KABUL, Dec. 4 (AP)—Dr. Mohammad Nazar, a leading Afghan surgeon, performed a successful cardiac operation on a patient in the country's largest hospital.

Dr. Nazar, who has a reputation for his expertise in cardiac surgery, was able to save the patient's life with a delicate and precise operation.

Powerful waves hit a small, unoccupied fishing village in the eastern part of the country. The village is located near the mouth of the Helmand River, which is prone to flooding during the monsoon season.

AID IN THE FRANCE

France Explains

Her Majesty's Message

KARACI, Dec. 4 (AP)—His Majesty's Message to President Quaid, the Chairman of the Pakistan Federal Assembly, has been released.

The message, which was sent to the President on the occasion of the 60th anniversary of Pakistan's independence, praised the President's efforts in the development of the country.

Mr. Muhammad, the Foreign Trade Minister, visited Afghanistan last week to discuss bilateral trade relations and other issues.

The visit, which was arranged at the request of the Afghan government, was aimed at enhancing trade relations and promoting economic cooperation between the two countries.

HOW INDONESIA WILL HANDLE MALAYSA

Sukarno Adopts “Outline Policy”

BANDUNG, Dec. 4 (AP)—President Sukarno has adopted an “outline policy” towards Malaysia in response to the Malayan government's recent actions.

The Foreign Minister, Mr. Sukarno, has said that the outline policy is a means of expressing Indonesia's concern over the recent developments in Malaysia.

In Indonesia, the government has decided to adopt a "positive" approach in dealing with Malaysia, according to the Foreign Minister.
